

# Lewiston-Porter Central School District

*Aiming Higher*

---

Dear Parents/Guardians, and Students,

Below is the summer reading assignment list. Our summer reading assignments are a requirement for all students attending Lewiston-Porter High School. We strongly suggest that every student purchase the book(s) for his/her grade level. New York State Common Core Standards require assignments and testing that will use textual based evidence from books. These assessments and projects will take place the first full week of school.

All students taking English 9 were given *Shift* so there is no need to purchase the book. Books are available at local libraries or can be purchased several ways. The local Barnes and Noble stores carry all of the titles, or books can be purchased through online retailers such as Amazon, Barnes and Noble, and other sources. EBooks may be downloaded directly to electronic devices from the aforementioned sources. Teacher letters can also be found on the individual teacher's web page. If you have any specific questions please contact your child's teacher.
