

KINDERGARTEN ON-LINE REGISTRATION

If you have a child who will be entering Kindergarten in September 2023, we are delighted to welcome you and your kindergartner to our program. The first step to the kindergarten journey is the registration process.

The Primary Education Center offers an [on-line registration](#) option that allows families to upload required proof of residency documents from the safety and comfort of their homes. You may register children who will be five years old **on or before December 1, 2023**. You may also mail in your registration documents to our school district.

In addition to registration you are required to complete the [Home Language Questionnaire](#). Registration will not be finalized until this form is completed.
