## Introduction to Meditation

We all want to be happy and lead fulfilled lives, but too often we depend upon our minds to find this happiness and too often we are disappointed. The reason is that we are using the wrong tool for the job. To find true happiness we need to look within, for our hearts hold the answers to find true joy and commitment, not our minds. This is where meditation comes in. By learning how to quiet the mind, we can remove ourselves from the fear the mind creates and open us up to a whole new world of self discovery and purpose. In this class we will learn the true benefits of the meditative experience as well as experience meditation itself. If you feel frustrated and discouraged in life, this is the class you've been waiting for!

**We do not allow walk-in registrations at the class locations.**

## REFUND POLICY

**Requests for refunds must be made in person or in writing and received no later than five (5) school business days prior to the start of class.** Weekends and days that the school is closed are not considered business days. Make requests to the Lewiston-Porter CSD Community Education Dept., 4061 Creek Road, Youngstown, NY 14174. **There will be a \$8 processing fee applied to all refunds by the district.** Please note that refund checks are issued twice a month by our business office. In addition, if you registered online and paid by credit card through our third-party provider, a \$2.49 fee per class will be assessed by them and deducted from your total amount due. Refunds are based on the class status on the date in which you cancel, in accordance with the refund policy deadlines outlined. A class status change on a future date, will not result in an additional refund.

**Once registered, transfers of your registration and credit card payment, to another individual are prohibited. This policy is governed by both our third-party registration and credit card processing companies.**

**Refunds will not be issued due to inclement weather if the district remains open for after-school activities.** Emergency closings due to weather or otherwise will be announced on local radio/ T.V. stations. If the school district is closed, then all evening activities on that day will be canceled.

## CANCELLATIONS

If the minimum enrollment is not met for a class to be held, you will be notified by phone or email within three business days of the class start date. You will be refunded for any class cancellations in full.

## INSTRUCTIONAL STAFF

Our instructors are here to share with you a skill, talent or expertise that they possess. The opinions shared by the instructors are not necessarily the opinions of the Lewiston-Porter Central School District. Instructors are not required to be a certified teachers, although many have certifications in their own fields of expertise.

## SCHOOL RULES

You must abide by school rules while on campus, and that includes a strict no smoking or e-cig/vaping policy. You will be asked to leave the campus, and we may remove you from enrollment for that semester. No refunds will be given.

## CHILD POLICY

Many of our instructors have opened their classes up for underage children to register for classes when a parent/guardian is registered and attends the same class. Children must be in the care and direct supervision of their parents/guardian at all times, this includes all areas of the school and the classroom they are receiving instruction in. **At no time shall children be on district property if not registered in a class.** Parents/guardians are also responsible for the behavior of their children at all times during instruction. Failure to abide by this policy will result in the removal of all parties involved from our program. There will be no refunds given in the event that this policy is enforced.
