We Are Aiming Higher

At Lewiston-Porter we believe....

- Students develop self-discipline and character through fair and consistent student management practice
- An education must provide students with the opportunity to grow academically, technologically, physically, personally, socially, and emotionally to succeed at the highest level of their ability
- Quality education includes a classroom environment that addresses individual needs, differences, interests and learning styles and involves real world application
- All educational opportunities allow students to answer the questions, "What am I learning, why am I learning it, and how can I use it?"
- A safe, orderly, inviting school environment is conducive to learning and cultivates respect for other persons and property
- We must provide maximum opportunities for student involvement in the total school program to foster school spirit and provide an inviting school climate

Our Board of Education

- Dedicated and committed to moving the District forward
- Development of yearly Board and District Goals

Budget

- Fiscally responsible budget keeps within NYS tax cap initiative
- Programs and student learning drive our fiscal decisions and our strategic plan
