

Lewiston-Porter Central School District

Aiming Higher

November 30, 2021

Dear Parent/Guardian:

During these tough economic times there are more people than ever in our community who find themselves in need. We would like to help these local families by providing their children with needed clothing and toys.

We are asking each student and staff member that is able, to bring in a new unwrapped gift of hats, gloves, clothing, books, or toys. Gifts must be delivered to your child's NEST class by December 10. Each grade level will be collecting for a specific age group as follows:

Grade 6 – (ages 4-6)

Grade 7 – (ages 7-10)

Grade 8 – (ages 11-14)

Teachers and staff members will also be contributing to this effort, in addition to other donors. All items will be boxed and delivered to the Red Brick School in Youngstown for distribution to families in our community.

Thank you for your support! Have a happy and healthy holiday season.

Sincerely,

Lewiston-Porter Middle School Builders Club
