

Lewiston-Porter Central School District

One Purpose. Your Pathway. Our Promise.

September 13, 2024

Dear Builders Club Volunteer,

Thank you for volunteering to work on **Saturday, September 21**, at the **Fort Niagara Beach Sweep** sponsored by the Aquarium of Niagara. We will meet at **10:00 AM** in the beach/pool parking lot near the picnic shelter at Fort Niagara State Park in Youngstown. The event is scheduled to last until noon, but please arrange for a ride to pick you up at 11:30 AM in case we finish early. Your family and friends are also welcome to stay and help.

Please dress appropriately for the weather. The forecast predicts partly cloudy skies and a temperature of 79 degrees, so be sure to wear sunscreen and/or a hat, closed-toe shoes or sneakers, your Builders Club t-shirt, and bring plenty of water. If you or your parents have any questions or concerns, please feel free to contact us at 754-8281 x5504 or (716) 946-9728. We are confident you will find this an enjoyable and enriching volunteer experience.

Sincerely,

Mrs. Oddy and Mrs. Munoz
Builders Club Advisors
