

Lew-Port Builders Club is Off to a Great Start

By James Scully

Welcome back to another school year and another year of Builders Club! This year's new officers are President Keirsten Elliot, Vice President Anisha Singh, and the Public Relations officers Emmalee Harden and Angelina Flores-Perez. The re-elected officers are James Scully as Secretary and Riley Schmitt as Treasurer. Builders Club started the year off on a high note with a successful weekend at the Peach Festival food tent. During November, we organized a Military Appreciation Project collecting donations for the Niagara Falls Air Force Reserve deployment that ended successfully under the direction of Zoe Droegmyer, the Chairperson of this event. Also during the month of November Builders Club organized a very successful district wide food drive for the Ransomville Care-N-Share Food Pantry. Builders Club members made Christmas cards for the Meals on Wheels which will go out to older people in the community so they know we are thinking of them during the holiday season. In addition, Builders Club helped the refugees in Buffalo by running an Afghanistan Refugee Collection chaired by Anisha Singh. In December, Builders Club organized a new unwrapped toy collection at the middle school encouraging CREW classes to donate a "Box of Caring." The donations went to the Christmas Basket Program in Youngstown to benefit local families. Builders Club volunteers also helped Santa and assisted with crafts at the Youngstown Recreation Children's Christmas Party. Thanks to our Advisors Mrs. Oddy and Mrs. Rampado, this school year has been off to a great start!
