

Lewiston-Porter Central School District

Aiming Higher

Dear Parents/Guardians and Students,

Below is the summer reading assignment list for 9H, 10H, 11AP, and 12AP. Our summer reading assignments are a requirement for all students in Honors and Advanced Placement classes at Lewiston-Porter High School. We strongly suggest that every student purchase the book(s) for his/her grade level. New York State Common Core Standards require assignments and testing that will use textual based evidence from books. ***The projects will be due on Wednesday, September 4th and the assessments will take place on Friday, September 6th.***

Although no formal assignment is being required of students in our Regents level courses, we are encouraging all other students to read over the summer, whether it be fiction and/or nonfiction. Reading enhances your writing and literacy skills, and is the foundation of well-rounded students.

Books are available at local libraries or can be purchased several ways. The local Barnes and Noble stores carry all of the titles, or books can be purchased through online retailers such as Amazon, Barnes and Noble, and other sources. EBooks may be downloaded directly to electronic devices from the aforementioned sources. **Teacher letters can also be found on Google Classroom. Below you will find the list of Classroom codes for each grade level.** If you have any specific questions please contact your child's teacher.
