

School Information for Parents

BRIA
Bureau of Refugee and
Immigrant Assistance

A Program of the Office of Temporary and Disability Assistance

Welcome

This book will help you to understand what you need to know about your child's school. You should ask for more information about all of the items in this book.

Here are some important words to know:

Attendance

School attendance is required by law and is held on Monday through Friday for children ages 5-21.

School attendance is not required during teacher meetings, school recesses, and national holidays.

Sometimes school is cancelled due to bad weather.

Grade Level

Every child is placed in a grade, Kindergarten through 12th grade. Grade assignment is based on the age of the child and a grade level placement assessment.

Principal

The principal is in charge of the school.

The principal would like to meet all of the parents.

Teacher

Every child has at least one teacher.

Teachers want to help children and meet the parents.

Children should be encouraged to respect their teachers.

Call or visit the school to schedule a meeting with teachers.

Counselor

A school counselor or Social Worker will help your child in school. Parents can meet with the counselor or Social Worker any time.

Nurse

Some schools have a nurse who can answer questions about health and required immunizations.

School Events

Attend school meetings, parent-teacher conferences, and school events. Open House events are for parents to visit the school and take a tour. Parent-Teacher Conferences are for parents to meet privately with teachers. Family events include sports, theater, music, dances, Science activities, and field trips.
