# Welcome

## A MESSAGE FROM THE SUPERINTENDENT

Dear Friends  
and Community  
members,

Welcome to the Winter/Spring edition of the Lewiston-Porter Community Education Program. Since last March we have had to overcome many obstacles in order to keep our Community Education Program going. The abrupt stop last year in March and the need to shift to fully virtual classes has been difficult but I'm proud to say we have done it and the program continues to move forward. Community Education had been on a long hiatus at Lewiston-Porter and we were so happy to finally rebuild the program and bring it back to our community. We have so many great ideas for the program that we want to move forward and we will! We just need to weather the storm that is the COVID-19 pandemic. The response from the community for our Community Education program has been outstanding. We know from your comments and feedback that you enjoy the programming and want more! The online courses we offered this fall were tremendous. Thank you to all the instructors that made the shift to virtual learning. I see that component continuing once we return to in-person learning as it offers many an opportunity to take a course from the privacy of their own home. There will be more options for online learning in the future. Thank you for sticking with us and we hope you are enjoying all that our program has to offer. Here's to a safe and healthy 2021 and a return to in-person learning for the Fall of 2021.

All the best,

Paul Casseri  
Superintendent of Schools

## BOARD OF EDUCATION

Happy New Year, Lewiston-Porter! We are hopeful that this year will be better than the last, and that it holds great promise and opportunity. With that in mind, we are excited to offer new and exciting courses for your consideration for Winter/Spring 2021.

The courses were thoughtfully selected to appeal to everyone in our community, especially our seniors and students. Courses are now also offered earlier in the day and right after school, in addition to traditional evening hours, so you can find the perfect fit for your schedule. Classes remain 100% virtual, providing engaging learning opportunities to the whole community as we remain safe at home during these winter months.

Our program continues to include something for everyone, no matter your age or interest. As the pandemic and the weather will continue to keep us close to home, we encourage you to take advantage of the time and opportunity to explore all that the Community Ed program has to offer: Explore new interests, fulfill a New Year's Resolution, expand your world. Stay optimistic, stay engaged, stay well -and never stop learning!

Warmest Regards,

Jodee Riordan  
President, Lewiston-Porter Board of Education
