COMMUNITY COMMENTS
One of the most important duties of the Lewiston-Porter Board of Education is to listen to the public. Accordingly, time will be set aside at regular monthly Board meetings for members of the public to address the Board. Our Regular Board of Education meetings are not public meetings, but meetings held in public. At the meeting, a sign-up sheet will be provided for individuals wishing to address the Board. 1. Speakers are requested to limit their remarks to not more than three (3) minutes, appoint a spokesperson if a concern is a group concern; and supplement verbal presentations with written reports, if necessary or desired. 2. Members of the Board of Education will listen to the remarks of the speakers; however, the Board does not comment or respond to questions; but rather respond in writing if a response is necessary. 3. The Board President will call your name, the speaker will then identify themselves, stating their name and then address the board. 4. Personal comments toward a member of the community, staff, or Board of Education will not be considered appropriate and the Board president will direct you not to speak.
