WHEREAS, it is now desired to authorize the expenditure of up to \$11,150,000 for such purpose, and to provide for the financing thereof in accordance with the Proposition;

NOW, THEREFORE, BE IT RESOLVED, by the Board (by a favorable vote of at least two-thirds of all of the members of the Board), as follows:

Section 1. The class of objects or purposes to be financed pursuant to this resolution is a capital improvements project involving the reconstruction, rehabilitation and renovation, in part, and the construction of improvements and upgrades to various District buildings and facilities and the sites thereof, to implement various health, safety, accessibility and Code compliance measures required by the State Education Department in connection with any significant capital project and various other measures that are generally described in (but are not to be limited by) the written plan for the Project that was prepared by the District (with the assistance of Trautman Associates and Buffalo Construction Consultants) and is on file at the District offices, and being subject to the possibility of reallocation, deletion, revision or supplementation, as provided in the public notice of the vote on the Proposition. The foregoing work shall include the purchase of original furnishings, equipment, machinery and apparatus required in connection with the purposes for which such buildings, facilities and sites are used, and all ancillary or related work required in connection therewith, including preliminary costs and costs incidental thereto and in connection with the financing thereof.

Section 2. The estimated maximum cost of such class of objects or purposes is determined to be \$11,150,000, which expenditure is hereby authorized. The plan for the financing of the Project is (1) to expend or apply toward the Project during the 2023-2024 fiscal year of the District, \$650,000 from the District's Capital Improvements Reserve Fund, 2016 and (2) to issue up to \$10,500,000 of serial bonds or other obligations of the District that may be lawfully issued under the Local Finance Law (the issuance of which is being hereby specifically authorized for the financing of the balance of the estimated maximum cost of the Project), with such amount to be offset by any federal, state, county and/or local funds received by the District for the Project. Unless paid from other sources or charges, such balance of the estimated maximum cost of the Project is to be paid by the levy and collection of taxes on all the taxable real property in the District to pay the principal of such bonds or other obligations, and the interest thereon, as the same shall become due and payable.

Section 3. It is hereby determined that the period of probable usefulness of the class of objects or purposes referred to in Section 1 hereof is 30 years, pursuant to subdivision 97 of paragraph (a) of Section 11.00 of the Local Finance Law.

Section 4. Subject to the provisions of this resolution and of the Local Finance Law, and pursuant to the provisions of Section 21.00 relative to the authorization of the issuance of bonds with substantially level or declining annual debt service, Section 30.00 relative to the authorization of the issuance of bond anticipation notes and of Section 50.00, Sections 56.00 to 60.00, Section 62.00, Section 62.10, Section 63.00, and Section 164.00 of the Local Finance Law, the powers and duties of the Board pertaining or incidental to the sale and issuance of the obligations herein authorized, including but not limited to authorizing bond anticipation notes and prescribing the terms, form and contents and details as to the sale and issuance of the bonds herein

Section 5. The temporary use of available funds of the District, not immediately required for the purpose or purposes for which the same were borrowed, raised or otherwise created, is hereby authorized pursuant to Section 165.10 of the Local Finance Law, for the purpose or purposes described in this resolution.

Section 6. This resolution shall constitute the declaration (or reaffirmation) of the District's "official intent" to reimburse the expenditures authorized in this resolution with the proceeds of the bonds, notes or other obligations authorized herein, as required by United States Treasury Regulations Section 1.150-2.

Section 7. Each of the obligations authorized by this resolution, and any notes issued in anticipation of the sale of such obligations, shall contain the recital of validity as prescribed by Section 52.00 of the Local Finance Law, and such obligations shall be general obligations of the District, payable as to both principal and interest by a general tax upon all the taxable real property within the District, without limitation as to rate or amount (subject to certain statutory limitations imposed by Chapter 97 of the 2011 Laws of New York). The faith and credit of the District are hereby irrevocably pledged for the payment of the principal of and interest on such obligations, and provision shall be made annually in the budget of the District by appropriation for (1) the amortization and redemption of any such obligations to mature in such year and (2) the payment of interest on any such obligations to be due and payable in such year.

Section 8. The President of the Board is further authorized to take such actions and execute such documents as may be necessary to ensure the continued status of the interest on the obligations authorized by this resolution, and any notes issued in anticipation thereof, as excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and may designate the obligations authorized by this resolution, and any notes issued in anticipation thereof, as "qualified tax-exempt obligations" in accordance with Section 265(b)(3) of the Code.

Section 9. Section 10. The President of the Board is further authorized to call in and redeem any outstanding obligations that were issued pursuant to this resolution (at such times and in such amounts and maturities as may be deemed appropriate after consultation with District officials and the District's municipal advisor), to approve any related notice of redemption, and to take such actions and execute such documents as may be necessary to effectuate any such call(s) for redemption pursuant to Section 53.00 of the Local Finance Law, with the understanding that no such call(s) for redemption will be made unless such notice of redemption shall have first been filed with the District Clerk.
