## General

- AIMSWeb Fall benchmark testing in ELA and Math was completed on 9/27 and 9/28. Individual reports can now be accessed in Powerschool under the Portfolio+ tab.
- October 10 - October 13 was our Middle School Spirit week in conjunction with Homecoming week at the High School. The week culminated in a Pep Rally for students at Blakeslee stadium and we followed a modified schedule on Friday, October 13 in order to accommodate the activities. 8th grade pulled out the overall school spirit win! 🥳😁 Volunteers from the faculty and grade levels participated in various relay games were run by Exploratory teachers and students did a great job of showing school spirit throughout the week. Huge shout out to Kelly Zimmerman, Linda Napalatano, Amy Golden, Tammy Richley, Jon Hoover, Gary Daigler for going above and beyond with making the Pep Rally a huge success.
- Clubs and activities are back in full swing with our International Connections, Chess Club, Builders Club, Student Council, Intramural Flag Football and Science & Nature Club all seeing great participation numbers.
- The Key Club, Builders Club, IEC Multi-Age, and PEC will be collecting winter coats, hats, gloves, and scarves for the Lighthouse Women and Children's Center. Donation boxes will be at the main entrance at any of the Lew-Port school buildings and Middle School from 10/10 - 10/26.
- Now that we have passed the first 5 weeks, we begin to look to the close of the first marking period at the 10 Week mark. The After School Assistance Program (ASAP) will be starting the week of October 23 for students failing one or more subjects. The goal is to have students stay after school from 2:45 - 3:40 to make up any missing work or work with a teacher to get the failing grade up to passing prior to the close of the marking period.
- Don't forget to check out the Middle School web site and look for the link to the clubs and activities calendar. Please [Click Here](#) to view our Middle School Calendar. This calendar includes clubs/activities and important dates coming up that are updated daily.
