## General

- Huge shout out to our students and faculty for raising over \$700 for the second annual Lunches for Love event. As you may recall, last November at Lunches for Love our students prepared over 500 lunches for those in need. We were so proud of our students' efforts and so we continued this project again this year. We collected over \$700 of cash and gift card donations to purchase the supplies needed for the lunches. We collected donations from October 14 - October 25. [Lunches for Love](#)
- The goal was for our students to raise \$500. The students met and exceeded the \$500 goal and so Mr. Auer spent half of the day Friday, November 15 on the roof! Thanks to all for their generosity!
- Shout out to our CREW Crew consisting of Claire Marshall, Elizabeth Buck, Kimberly Alexander Carlo, Kevin Kirsch, Joe Conti, and Stefanie Bond for their work and preparation to make this a positive learning experience for our students.
- We will also be having another Community Service Day and Community Gathering on Tuesday, November 26. Students will be following an early release day schedule that day so that they are able to attend all classes. Students will then participate in a Service learning project in the afternoon from 1:15 to dismissal.
- Builders Club is sponsoring a Food Drive from November 1-17. [2024 Food Drive Poster](#) We will be collecting non-perishable food items such as cereal, canned meat or fish, stews, soups, canned fruit and vegetables, rice, pasta, noodles, pasta sauce, box dinners, paper products, and personal care items. Donations can be dropped off at the Cafeteria in the Middle School or the Main Entrance of the High School, IEC, PEC. This is a great learning opportunity for our students to help feed the hungry in Lewiston, Youngstown, Ransomville, and Sanborn by donating cans/boxes of food. All food items will be donated to Ransomville Care-n-Share Food Pantry and given to people right in our communities!
- Now that we have passed the first 10 weeks, and we have now come to the close of the first marking period at the 10-week mark, we continue to identify students that MUST attend the After School Assistance Program (ASAP), for students failing one or more subjects. The goal is to have students stay after school from 2:45 - 3:40 to make up any missing work or work with a teacher to get the failing grade up to pass before the close of the marking period.
- Don't forget to check out the Middle School website and look for the link to the clubs and activities calendar. This calendar includes clubs/activities and important dates coming up that are updated regularly.

*"I truly believe that everything that we do and everyone that we meet is put in our path for a purpose. There are no accidents; we're all teachers - if we're willing to pay attention to the lessons we learn, trust our positive instincts and not be afraid to take risks or wait for some miracle to come knocking at our door." -*
