Student of the Month:

LPHS STUDENT OF THE MONTH: DECEMBER 2023

Traits of a Lancer Leader: "Collaborator"

Department	Student's first & Last Name; Grade	Rationale for why this student is being recognized as an "Collaborator."
Art	Chloe Pellegrino	Chloe Pellegrino lights up the art rooms when she enters. She is able to collaborate with fellow students and teachers alike on a wide variety of projects. She has been instrumental in working with groups of students to complete the yearbook as well as leading the senior class as the president. Chloe's boundless energy only adds to her collaborative spirit!
Consultant Teachers	Rebecca Rolfe	Rebecca Rolfe is a hardworking and dedicated student who is always willing to collaborate with others. Becky demonstrates excellent teamwork skills and a willingness to contribute to learning in a positive way. She has an appreciation for everyone that she works with and is a valuable member of a team. Becky is an excellent example of a collaborator.
Life Skills/LLC	Kyle Wozniak	LLC- Kyle Wozniak comes in prepared to get work done every time he is here, but he also explains concepts to others and is willing to help friends out or explain a topic to them. He has a great personality and can converse and work with many different types of people. He listens to people, asks follow up questions, and shows others what to do.

Math	Garrett Cassidy (Garrett shows a genuine interest in others' ideas and ensures that each member of his group feels heard and valued. Garrett has also worked with other students during his lunch period to help prepare them for quizzes and tests. His positive attitude and wonderful personality allow others to work well with him!
Science	Mary Cardamone	Mary's collaborative spirit made her presentation at the Japan Super Science Fair absolutely shine this year. She is the definitive teammate and an excellent example of a true collaborator. Mary leads with grace, kindness, intellect, and eloquence, and her work in Japan made us proud to represent Lancer Nation!
Social Studies	Sophie Schimmelpennick	Sofie Schimmelpenninck is one of the kindest, most friendly students we've taught. She is warm-hearted and an ally to all. If you have Sophie as a group partner, you're set for life... or at least for that project. She always gets her work done with a smile on her face and a friendly word for all.
Student Support Services	Eleanor "Nora" Hagel	Nora displays the definition of "collaborator" on a daily basis. She's always willing to help others and goes above and beyond to be a supportive and understanding friend to all who she comes in contact with. She's a true team player and leader!
World Language	Madilynn Waldeck & Alyssa Dashineau	Madilynn Waldeck and Alyssa Dashineau are the epitome of collaborators in Spanish class. They are teamwork personified. They explain things to each other and get their work done with a smile.
