Graduation Issue
Class of 2023

Congratulations Class of 2023

The Lewiston-Porter Central School District, the Board of Education and the staff and students join in wishing our 2023 graduating class a happy and productive life and much success in the future. Congratulations from a proud school community!

Message from the Superintendent

Mr. Paul J. Casseri

Dear Lewiston-Porter Central School Community,

As another remarkable year draws to a close, I find myself reflecting on the unwavering determination, resilience, and accomplishments of our students, staff, and community during the 2022-23 school year. This edition of the LINK newsletter is a testament to our community's fortitude and commitment to the advancement of knowledge and values that nurture our Lewiston-Porter spirit.

To our graduating class of 2023, I offer my deepest and most heartfelt congratulations. Throughout your years here, you've embodied the Lancer values we hold dear—perseverance, intellectual curiosity, kindness, and integrity. Your achievements—academic, athletic, artistic, and personal—are a reflection of your hard work and determination. Your future is bright, and I am confident that you will make us proud as you venture into the world. We wish you every success on your future paths and remember, you will always be a part of the Lew-Port family. Once a Lancer, always a Lancer.

To the entire Lewiston-Porter Central School community, thank you for your continuous support and the trust you've placed in us. Our shared vision has enabled our students to thrive in an environment conducive to growth and development. Your commitment to our school district's success is invaluable in ways large and small.

As we approach the summer break, I extend my wishes for a safe, restful, and joyful summer recess. This is a time for rejuvenation, exploration, and spending quality time with family and friends. Whether you are traveling or enjoying the warmth and sunshine at home, I hope that each of you will make the most of this summer and return in the fall, ready to face new challenges and opportunities.

We look forward to welcoming everyone back on September 5th, 2023, for what promises to be another great school year at Lewiston-Porter Central Schools. Our team of educators and support professionals will be working diligently over the summer to prepare for your return and continue our pursuit of excellence in education.

Once again, congratulations to the Class of 2023, and thank you to everyone for contributing to the strength and vitality of our community. Have a wonderful summer, and we'll see you in the fall!

Dutton and Chadwick to Compete in National SkillsUSA

Once again a large group of Orleans/Niagara BOCES students represented New York State at the National SkillsUSA Championship in Atlanta, Georgia. The career competition events showcase the best career and technical education students in the nation. Students compete in the largest gathering of America's Future Skilled Workforce.

Congratulations to Robert Dutton (Project Based Engineering) who competed in the Engineering Technology Design Team Competition, and Cole Chadwick (Building Maintenance & Management) who competed in the Team Works Competition. They both made us so proud!!

Robert Dutton (Project Based Engineering).

Cole Chadwick (Building Maintenance & Management).

Students Connect with Parks

Students in Dr. Dreher's class, thanks to the NYS for the Connect Kids to Parks Field Trip Grant, were lucky to travel to The Adirondacks and Letchworth State Park. The students spent time hiking, learning about nature and taking in the beautiful scenery that these parks provide. The classmates also spent valuable time together playing cornhole, tag football, and having campfires. "I love the memories that were made — they'll last a lifetime!" said Dr. Dreher.

Lew-Port Scholars Honored

This year Superintendent, Paul Casseri, and Tim Carter, Superintendent of the Wilson Central Schools had the privilege of chairing the 43rd year of the Scholastic Achievement Recognition Dinner (SARD).

The evening honored the scholars who are receiving these much-deserved awards, representing 83 Erie and Niagara parochial, private, and public schools. Each scholar has worked very hard to earn this distinction and each was presented a crystal bison.

Lewiston-Porter SARD honorees Sarina Singh, Amanda Huang, and Sarah Streb introduced Alex McArthur as the keynote speaker for the evening. Ms. McArthur is very special to Lewiston-Porter because she is a 2014 Lewiston-Porter graduate. She is a dynamic singer, songwriter, and actress based in Buffalo, New York.

Keynote speaker Alex McArthur.

Students Awarded Seal of Biliteracy

The NYSSB recognizes high school graduates who have attained a high level of proficiency in English and one or more world languages. The intent of the NYSSB is to encourage the study of languages, to identify high school graduates with language and biliteracy skills for employers, to provide universities with additional information about applicants seeking admission and placement, to prepare students with twenty-first-century skills, to recognize the value of language instruction, and to affirm the value of diversity in a multilingual society. Successful candidates will earn three points in English and three points in each world language from a point's matrix, which includes course grades, national and state exams, transcripts, and culminating projects. The NYSSB takes the form of a Seal on the student's diploma and a medallion worn at graduation.

Web leaders host Spring Carnival

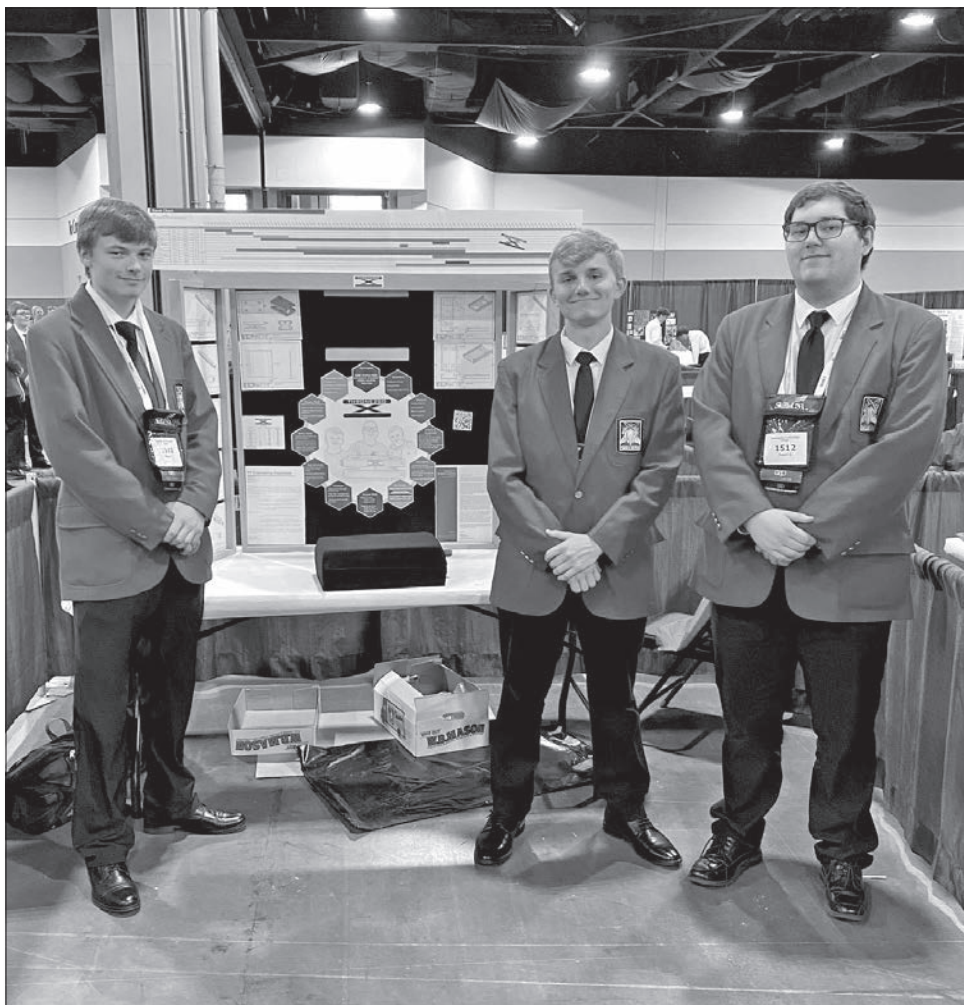

Spring carnival at LPMS under way! Thank you to our WEB leaders for coming up with these awesome activities!

WEB, which stands for “Where Everybody Belongs” is a middle school orientation and transition program. The program welcomes sixth and seventh graders and makes them feel comfortable throughout the first year of their middle school experience. Built on the belief that students can help students succeed, the program trains mentors from Lew-Port’s eighth grade class to be WEB leaders. As positive role models, WEB leaders are mentors and student leaders who guide the sixth graders to discover what it takes to be successful during the transition to our middle school and help facilitate sixth grade success.

Dutton Takes Silver at SkillsUSA Nationals

Engineering Tech Design Team: Jarod Gajewski (Wilson), Brian Zatkos (Niagara Wheatfield) and Robert Dutton (Lewiston-Porter).

Robert Dutton and his fellow teammates brought home the silver metal from the National SkillsUSA Leadership and Skills Championship in Atlanta, Georgia!

The career competition events showcased the most accomplished career and technical education students in the nation. Students advanced through competitions at the local and state levels with state winners going on the national stage. The winners were announced Friday (June 23rd). We are beyond proud of the Project Based Engineering program’s Brian Zatkos (Niagara Wheatfield), Robert Dutton (Lewiston-Porter), and Jarod Gajewski (Wilson) in the Engineering Technology Design Team Competition. Their teacher is Scott Brauer.

Dr. Michael Weyrauch, Director of Adult Education, CTE & Instructional Services, had this to say about the winners, “We are extremely proud of the accomplishments of these students and the instructional staff who have worked with them. To be given an opportunity to showcase one’s passion and determination in a career field of their choosing is what Career & Technical Education (CTE) is all about. O/N BOCES is pleased to have been a part of these students’ amazing journey and wish them the very best with what’s next in their futures. Congratulations to all!”

Builders Club Has a Successful School Year

Written by James Scully, Builders Club Secretary

As the school year comes to a close, we look back on everything the Lewiston-Porter Builders Club has done throughout the year. Our year started off great with a successful weekend helping at the Peach Festival Food Tent, then moving into the Fort Niagara Beach Sweep, Weekly Recycling Program, and Youngstown Recreation Halloween Party. We had lots of success at the District Coat Drive and District Food Drive, Town of Porter "Box of Caring", Kiwanis Thanksgiving and Christmas Baskets, Afghanistan Mitten and Hat Drive, and Lockport Cares - Christmas Cards. Moving into the new year, Builders Club volunteers planned, organized, and raised money and awareness for numerous organizations such as Oishei's Children's Hospital, St. Jude's Research Hospital, Casey House Youth Shelter, Leukemia & Lymphoma Society, Alzheimer's Association of Buffalo, Summit Educational Center, and Niagara Pride.

In addition, Builders Club volunteers created "Pictures for Patients." Kiersten and Skylar Elliot, Chairpersons for the event, said they have been doing this activity for three years. During spring break they delivered the pictures to the residents at Our Lady of Peace Nursing Home. They talked to Stephanie, head of events, who was astonished by the amount of pictures, cards, and crafts. Stephanie was very grateful and said the colorful pictures made the residents day!

At the Builders Club Year End Celebration, Kevin Foley (TSgt USAF 328 ARS/DOIF), presented the club with a certificate and an American Flag that was flown on one of their combat missions. This honorable gesture was in appreciation for the items Builders Club collected for deploying members of the 328th ARS unit in December.

The 2022-23 school year was a successful year for Builders Club members with plenty of opportunities to help our school, our community, and our nation.

Congratulations to our Middle School Students

Science Honor Society

All of our inductees are Junior or Senior's in LPHS, have shown mastery on all of their regents exams in science, and be currently enrolled in AP science classes. The students apply to, and are selected by the High School science department. Students are selected when they meet the academic requirements, the teacher recommendation, and through their application essay.

Science Honor Society is a student-led organization, comprised of students who are interested and plan on continuing into the challenging science classes while attending Lewiston-Porter and beyond. Students also must be willing to serve others and the school, by providing opportunities of learning and participating in solving community problems, participate in science expos, and tutor fellow students in the community.

Newly Inducted 2022-2023: Hayden Lively, Matthew Long, Dylan Weber, Nick Forbes, Viola Lin, Owen Sweeny, Alex Uneversaw, Justin Burns, Ashley Hess, and Roman Colangelo.

Seniors: Sophie Auer, Trevor Denitto, Nora Dugan, Evan Hewitt, Elijah Kahn, Serena Martino, Taylor Phelps, Ethan Seaman, Natalie Share, Sarina Singh, Sara Streb, and Jaclynne Tat.

SHH Students Recognized

The Sociedad Honoraria Hispánica (SHH) is an honor society for high school students enrolled in Spanish and/or Portuguese, sponsored by the American Association of Teachers of Spanish and Portuguese (AATSP).

The mission of the Sociedad Honoraria Hispánica is to recognize high school achievement in Spanish and Portuguese and to promote interest in Hispanic and Luso-Brazilian studies. Congratulations to our Lew-port students!

C O N G R A T S !

Serving it up for the Senior Class

The tradition of cooking for the Lew Port Senior Class as part of their class day celebration has continued! Following the Senior Parade, which ended at Kiwanis Park, officers cooked lunch for the students to enjoy. It is something the officers look forward to every year. The students also had a special appearance from Shadow, the K-9 police dog, who got lots of attention!

The Lewiston Police Department is extending a big thank you to Dimino's Lewiston Tops for their generous donation of all the food, drinks, and supplies for the picnic. This Tops locale has continued to be a huge supporter of this annual tradition.

PEC Lighthouse Leaders participate in the Lewiston Memorial Day Parade. Students paid honor by signing Grand Ole Flag along the parade route.

OUR MISSION: One Purpose. Your Pathway. Our Promise.

OUR VISION: Our PURPOSE is to ensure that when students leave Lewiston-Porter they will be ready to face the world with confidence in themselves and what they can contribute. While students are here they will be challenged to grow along their PATHWAY and discover their personal best because we PROMISE to give them our best.
