# Board Notes

Monday, January 27, 2025

## Items of Note

- **Quarter 2 (20 Weeks):** ends January 24th
- Mid Terms will be the week of January 21-24
  - Peer Coordinators are responsible for coordinating the days of the tests so that students are not overwhelmed with multiple tests on the same day.
  - In class exams will be during the regular class period. Teachers have the flexibility within the grade level to extend to the following week as to not overload.
- **FBI Presentation**
  - January 31 - Students at all grade levels will be attending a presentation during the first 3 periods.
  - This presentation was recommended by our SRO's and will be very beneficial for our students relating to appropriate technology usage.
  - This presentation is entitled "Your Device, Your Safety, Your Future." It is designed for middle schoolers and focuses specifically on internet safety and online dangers. Students will be given information about who an online predator is, what they want (sextortion and online enticement), and ways they can be empowered to protect themselves. Students are provided resources and guidance for what to do if they should become a victim.
- **Computer Based Testing -**
  - We will be participating in a Computer Based Testing (CBT) simulation **January 28 for all grades in ELA classes.**
  - The purpose of this is to prepare students for the upcoming NYS assessments which is scheduled for the following dates:

### ELA CBT

Session 1: April 7, 2025

Session 2: April 8, 2025

Make-Ups: April 9, 2025

### Math CBT

Session 1: May 6, 2025

Session 2: May 7, 2025

Make-Ups: May 8, 2025

### Grade 8 Science CBT

Session 1: May 13, 2025

Make-Ups: May 14, 2025

- Now that we have passed the first 20 weeks are coming to a close, we continue to identify students that **MUST** attend the After School Assistance Program (ASAP), for students failing one or more subjects. The goal is to have students stay after school from 2:45 - 3:40 to make up any missing work or work with a teacher to get the failing grade up to pass before the close of the marking period.
- Don't forget to check out the Middle School website and look for the link to the clubs and activities calendar. Please [Click Here](#) to view our Middle School Calendar. This calendar includes clubs/activities and important dates coming up that are updated daily.
- **AIMSweb+ Winter Benchmark Screening** for Math and ELA was held on **January 7 and 9**. We will use these two data points as a comparison tool for student progress and to identify any gaps and to give intervention as necessary.

*"I truly believe that everything that we do and everyone that we meet is put in our path for a purpose. There are no accidents; we're all teachers - if we're willing to pay attention to the lessons we learn, trust our positive instincts and not be afraid to take risks or wait for some miracle to come knocking at our door." -*
