- Now that we have passed the first 20 weeks are coming to a close, we continue to identify students that **MUST** attend the After School Assistance Program (ASAP), for students failing one or more subjects. The goal is to have students stay after school from 2:45 - 3:40 to make up any missing work or work with a teacher to get the failing grade up to pass before the close of the marking period.
- Don't forget to check out the Middle School website and look for the link to the clubs and activities calendar. Please [Click Here](#) to view our Middle School Calendar. This calendar includes clubs/activities and important dates coming up that are updated daily.
- **AIMSweb+ Winter Benchmark Screening** for Math and ELA was held on **January 9 and 10**. We will use these two data points as a comparison tool for student progress and to identify any gaps and to give intervention as necessary.
