Graduation Issue  
Class of 2022

# Congratulations Class of 2022

*The Lewiston-Porter Central School District, the Board of Education and the staff and students join in wishing our 2022 graduating class a happy and productive life and much success in the future. Congratulations from a proud school community!*

## Message from the Superintendent

### Mr. Paul J. Casseri

The 2021-22 school year has come to a close. I want to congratulate our school community on a job well done. Yes, we were back for full instruction but we still had to significantly navigate many New York State COVID-19 procedures and protocols including, test to stay, masking requirements for COVID-19 positive students and staff, required COVID-19 testing for non-vaccinated staff, social distancing requirements were all in place at the start of the year and throughout the school year. I think we are all ready to move on from another difficult year. I want to thank the entire school community for the ongoing support over the course of this school year.

I especially offer thanks and congratulations to the Class of 2022. We had a wonderful Graduation Ceremony at Artpark on Friday, June 24th. It was extremely special to be back inside the Artpark auditorium celebrating this tremendous group of students. The Class of 2022 has had their high school years greatly disrupted by COVID-19. In spite of the disruption the Class of 2022, was incredibly resilient and progressed through these past two school years with grace, class, and with a great sense of humor, as well. They made it to the finish line. Best of luck to all our graduates.

I would also like to announce two key personnel changes for the 2022-23 school year. We are pleased to announce that Mr. Christopher D'Anna will take over as the Principal at the High School. Mr. D'Anna was a science teacher and coach at Lewiston-Porter for many years. He most recently has served as an Assistant Principal at Lake Shore High School. We are excited to have Mr. D'Anna back at Lewiston-Porter. We are certainly sad to see Mr. Brad Rowles leave Lewiston-Porter. Mr. Rowles has done a great job leading the HS school through two very difficult years. He brought a great sense of family and Lew-Port pride to his daily interactions with our staff and students. We wish him much success as he moves on to North Tonawanda City schools.

I am also pleased to announce Dr. Michael Lewis as our new Assistant Superintendent for Administrative Services. Dr. Lewis takes over for Dr. C. Douglas Whelan who has served as the Interim Assistant Superintendent since March. Dr. Lewis has most recently served as the Director of Special Education and Grants at Lewiston-Porter. We wish Dr. Lewis much success in his new position.

I hope everyone has a great summer. Remember school resumes for the 2022-23 school year on Tuesday, September 6th.

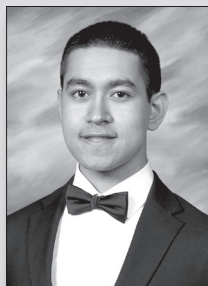

# Class of 2022 - Top 10

## *Valedictorian*

### **Rajan Singh**

**College:**  
Cornell University  
**Major:**  
Engineering

## *Salutatorian*

### **Julia Thomas**

**College:**  
Clarkson University  
**Major:**  
Mathematics

Happy  
**GRADUATION**  
**2022**

### **3. Katherine Kremer**

**College:**  
University at Buffalo  
**Major:**  
Psychology/Minor in Music

### **4. Jack Wagner**

**College:**  
University of Florida  
**Major:**  
Law

### **5. Lauren Lunshof**

**College:**  
SUNY Binghamton  
**Major:**  
Economics

### **6. Rhiannon Furey**

**College:**

**College:**  
SUNY Brockport  
**Major:**  
History Adolescent Education  
w/Minor in Psychology

## **Schools Out For Summer!**

There were fun activities and cool treats as sixth graders celebrated their last day of school for this school year. Students were all smiles on their final day enjoying kickball, a chalk walk, games, and of course Freezy Pops!

***“One Purpose, Your Pathway, Our Promise”***

# Liam Robinson Brings Home Gold Medal from National SkillsUSA

We are so proud of Liam Robinson who brought home a gold medal from the National SkillsUSA Leadership and Skills Conference in Atlanta, Georgia. More than 6,500 outstanding career and technical education students – all contest winners – competed in 108 different trade, technical and leadership fields.

Liam competed in the Engineer Technology/Design Team with his classmates Caleb Poeller (Christian Academy of WNY) and Alvaro Altolaguirre (Christian Academy of WNY). All three of the students are in Scott Brauer's Project Based Engineering program at the Niagara Career and Technical Education Center. The students competed against the best young engineers in the United States. State champions from all over the country and the three US territories came together and showcased new products that they designed and built in the competition. In the two day competition, the team presented their individual projects in front of a team of 10 professional engineers and were judged in things such as project preparation, project presentation and project demonstration. Mr. Brauer says, "In all areas that they were judged these three young men rose above their fellow students and placed first. I am so proud of all of them."

*Pictured Liam Robinson*

## Race Supports Foundation of Former L-P Student

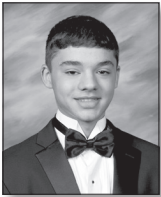

The Girls Lacrosse team recently organized a 5K race to support the Mason FOREVER Foundation. The event was held at Artpark State Park.

The Mason FOREVER Foundation was formed in memory of Mason Monteleone, a Lewiston native. Mason was a junior on the Dean's list at Florida State University, majoring in Interdisciplinary Medical Sciences when he tragically died in a car accident on August 28, 2020.

All proceeds raised will support students with passions similar to Mason's by providing scholarships and donations. Sports, physical health, mental health, and education were the core of his being. Mason played for Lewiston-Porter Youth Football and Niagara Pioneer Travel Soccer. He also participated in soccer, basketball, wrestling, and track while in middle school at Lewiston-Porter. Mason attended Canisius High School where he played soccer, rugby, wrestling, and was a member of the Catholic NY State Champion Canisius High School football team.

## Students Recognized at SAR Dinner

The Erie-Niagara Scholastic Achievement Recognition Dinner (SARD) was recently held where Lewiston-Porter students Julia Thomas, Katherine Kremer, and Rajan Singh were honored.

The annual awards dinner is a tradition that's held each year. SARD was developed in 1981 through a school-business partnership. Its purpose is to spotlight outstanding students and promote the importance of academic proficiency to our communities for each public, parochial and private high school in Erie and Niagara Counties.

*Pictured (l to r) High School Principal Mr. Rowles, Julia Thomas and Katherine Kremer, Rajan Singh and Mr. Casseri, Superintendent of Schools.*

## Native American Cultural Presentation

Students in the High School Culture Studies class were treated to a Native American Cultural Presentation. The Native students that performed were from the Niagara Wheatfield CSD. The group did an amazing job sharing their culture and dances with us. Our Lew-Port students really enjoyed the event.

## Flag Day Celebration

Music Students in the PEC are learning patriotic songs just in time for Flag Day!

*Pictured First row (l to r) Rosalie Howard, Andrew Tempest, Jasper Godlewski, Eve Huntington, Ashley Short, Liv Traver. Second row (l to r) Charlie Streb, Ben Elia, Kameron Briscall, Amelia Smith, Gracie Bajor, Alayna Kaminska, Tegan Jozik. Back row Miss Mosier.*

# Students Attend Young Scientist Fair

Several students from Lew-Port's Primary Education Center were participants in the Young Science Fair that was held at the New York Power Authority. The event was part of the International Student Science Fair (ISSF).

The ISSF 2022 had four sub-themes: Environmental and Global Landscape; Engineering, Technology and Mathematics; Biological and Biotechnology Sciences; and Physical Sciences. The young scientists were encouraged to design their research projects to one or more of these themes.

Students informally presented their research to students and educators from over 30 different international schools. It was not a judged event. The Young Scientist Fair is to provide our young scientists and engineers a space to share their passion about a STEM field in a supportive and nurturing environment.

*Pictured (l to r): Lily Wager, Riley McMahon and Ellie Millar.*

*Pictured (l to r) Noah Lederhouse, Oliver O'Keefe, Liam Shepherd, Gracie Kudela.*

*Pictured (l to r) Colin Westoven, Lucas Wyno and Elliot Freischlag.*

*Pictured (l to r) Luciana Cruz, Armen Hurtgam and Callan McFadden.*

## First Graders Enjoy K9 Demonstration

To the delight of the students, Shadow the K9 German Shepherd made an appearance at the Primary Education Center. Officer Stafford explained how sensitive his nose is and what he can look for (people, drugs, explosives etc.). Shadow then did a demonstration with several cases and picked the correct one each time. Officer Stafford also talked about how he speaks commands to Shadow in Czechoslovakian, and demonstrated many for the children.

# 2022 International Student Science Fair Hosted by Lewiston-Porter Central School District

*Only the Second Time a US School hosts this Prestigious Event*

Lewiston-Porter Central School District and partners, Niagara University and D'Youville University welcomed high school students from around the world, May 29-June 3, for the 18th Annual International Student Science Fair. This was only the second time the event has been held in the U.S.

Lewiston-Porter High School and its partners Niagara University and D'Youville University hosted the event on Niagara University's campus in Lewiston, NY. Lewiston-Porter High School has been participating in the ISSF since 2011. The weeklong event brought together talented high school science students, teachers and administrators who over the course of the week, along with presenting their research, also participated in various activities to enhance their cultural experiences, including local excursions, sightseeing, and shopping.

The ISSF with the theme of global sustainability and environmental stewardship is the signature event of the International Science Schools Network (ISSN) and involves an annual gathering of high schools from around the globe to provide a platform for students to engage in scientific research and education. This year students from 14 schools, who are members of the ISSN came from Canada, Indonesia, Japan, the Netherlands, Singapore, South Korea, Thailand, the United Kingdom and the United States with students from Australia and Macau joining virtually.

This annual event offers an opportunity for students from around the world to come together to learn and share their passion for science in a multi-cultural environment. The students who attended promoted and engaged in scientific research exchanges, by presenting their research projects through poster presentations and defending their research to a panel of expert judges. While the students presented their projects, principals and teachers attended workshops and meetings to share their experiences and knowledge promoting the importance of STEM education.

Students took science excursions to local

attractions and organizations such as the Niagara Gorge, Buffalo Niagara Waterkeeper, and Old Fort Niagara, where they learned concepts that they put to practice when they returned back to Lewiston-Porter High School later that day. Students also enjoyed sharing their different cultures at a World-fest (planned by the Lew-Port's Language Department), while other activities included a Movie Night, ice skating, an Escape Room (hosted by NU's Biology Department) and a dance.

Michelle Hinchliffe, a chemistry teacher at Lewiston-Porter, was one of the lead organizers of this year's fair. She stated, that although this year's gathering was smaller than in years past, due to the COVID pandemic's lingering restrictions, the participants were happy to come together as a scientific community for the week and everyone enjoyed their experience and the beauty of Niagara Falls and our local area.

Next year's event will be held at Queensland Academy of Science, Mathematics and Technology in Queensland, Australia.

# Congratulations to our Middle School Students

## 8th Grade High Honor Roll

Thomas Aceti, Elizabeth Adamson, Deanna Bondi, Alyssa Dashineau, Stella DiCesare, John Donnelley, Samantha Draper, Kiara Finley, Lauren Fura, Francesca Hess, Raistlyn Julias, Isabella LaBernardo, Meera Lingaria, Angelina Martino, Sydney McDermott, Claire Mombrea, Jayson Nguyen, Alexandra Pacana, Gianna Pallaci, Owen Parker, Maya Radder, Zachary Radder, Brady Reed, Dylan Scipione, Maxim Shumaker, Caitlyn Stockinger, Samuel Streb, Kaitlyn Szarejko, Brandon Tamul, James Townsend, Mallory Unwin, Madilynn Waldeck, Gabriella Westoven, Caitlin Winstanley, Siri Wooten-Forman.

# HONOR ROLL

# National Art Honor Society Announces Inductees

For almost 20 years Lewiston-Porter has sponsored a local chapter of the National Art Honor Society (NAHS). This year we inducted 29 seniors who have been art majors throughout their High School experience. These students have excelled in their artistic endeavors and have taken a wide variety of our art offerings to expand their knowledge and talent.

## Lew-Port students inducted into SHH

The Sociedad Honoraria Hispanica (SHH) is an honor society for high school students enrolled in Spanish and/or Portuguese, sponsored by the American Association of Teachers of Spanish and Portuguese (AATSP). Any secondary school student who has maintained an honor average in the study of Spanish or Portuguese, for a minimum of three semesters, and is in the 10th grade or higher, is eligible to be a member. The SHH is an honor society for those students of high academic achievement. Congratulations to this year's inductees.

Ahmad "Joe" AbuHammad, Sophia Auer, Anthony Aversa, Gabriella Baiano, Emma Buckley, Elizabeth Chamberlain, Julia Collins, Trevor Denitto, Jenna Dobrasz, Nora Dugan, Gwyneth Edwards, Meghan Edwards, Rhiannon Furey, Marisa Gibas, Rachel

We are committed to our MISSION, ONE PURPOSE, YOUR PATHWAY, OUR PROMISE. In order to achieve our VISION, Our PURPOSE is to ensure that when students leave Lewiston-Porter they will be ready to face the world with confidence in themselves and what they can contribute. While students are here they will be challenged to grow along their PATHWAY and discover their personal best because we PROMISE to give them our best.
