	<p>WHEREAS, the Project is to be financed by the application of \$100,000 of funds earmarked for such purpose as a “Transfer to Capital Fund” in the District’s 2023-2024 approved budget, with the work on the Project being expected to be completed during the 2023-2024 fiscal year of the District; and</p> <p>WHEREAS, the District wishes to reserve the right to expand, contract or modify the scope of the Project in light of the level of future construction bids received, with the understanding that the estimated maximum cost of the Project will not exceed \$100,000; and</p> <p>WHEREAS, in accordance with State Education Department guidance and policy, the District/Board of Education is the appropriate agency to be the lead agency to undertake Project review under the State Environmental Quality Review Act (“SEQRA”); and</p> <p>WHEREAS, Section 617.5 of the SEQRA Regulations (6 NYCRR Part 617) provides that certain activities are Type II actions that are not subject to review under SEQRA and that such activities include “routine activities of educational institutions,” “maintenance or repair involving no substantial changes in an existing structure or facility;” “replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site...unless such action meets or exceeds any [Type I] thresholds in section 617.4”; and</p> <p>WHEREAS, the Project constitutes such routine activities of educational institutions; maintenance or repair activities; and/or in-kind, same-site replacement, rehabilitation or reconstruction activities; and</p> <p>WHEREAS, under the terms of the Memorandum of Understanding (a/k/a the “MOU” or the “Letter of Resolution”) between the State Office of Parks, Recreation and Historic Preservation (“OPRHP”) (a/k/a the “State Historic Preservation Office” or “SHPO”) and SED, and the terms of the MOU’s exemption form, a project is exempt from SHPO review if, among other possible reasons, a building is 50 years old or older but has previously been evaluated by SHPO and found not to meet the criteria for inclusion in the State and National Registers of Historic Places (the “Registers”); and</p> <p>WHEREAS, SHPO’s Cultural Resource Information System (“CRIS”) indicates that SHPO has determined, in 2017, that the District’s Intermediate Education Center building is “not eligible” for listing on the Registers, and therefore the Project work is exempt under the MOU terms described above, although Trautman may nonetheless submit information on the Project work to SHPO for confirmation; and</p> <p>NOW THEREFORE, BE IT RESOLVED, that it is the final determination of the District’s Board of Education that the proposed Project is a Type II action, which is not subject to review under SEQRA, and that the proposed Project will not result in a significant adverse impact on the environment; and be it further</p> <p>RESOLVED, that the proposed Project has been included as a “Transfer to Capital Fund” line item (not exceeding \$100,000 in amount) in the District’s approved budget for the 2023-2024 fiscal year, with the understanding that the Project may be completed during the District’s 2023-2024 fiscal year; and be it further</p> <p>RESOLVED, that this resolution will take effect immediately.</p> <p>Motion made by Mullen, seconded by Palermo to approve NA-7.</p>
