

SUBJECT: SCHOOL SAFETY PLANS

The District considers the safety of its students and staff to be of the utmost importance and is keenly aware of the evolving nature of threats to schools. As such, it will address those threats accordingly through appropriate emergency response planning. The District-wide school safety plan and the building-level emergency response plan(s) will be designed to prevent or minimize the effects of violent incidents, declared state disaster emergency involving a communicable disease or local public health emergency declaration and other emergencies and to facilitate the coordination of schools and the District with local and county resources in the event of these incidents or emergencies. These plans will be reviewed and updated by the appropriate team on at least an annual basis and adopted by the Board by September 1 of each school year.

The Board will make the District-wide school safety plan available for public comment at least 30 days prior to its adoption. The District-wide school safety plan may only be adopted by the Board after at least one public hearing that provides for the participation of school personnel, parents, students, and any other interested parties. The District-wide school safety plan and any amendments must be submitted to the Commissioner, in a manner prescribed by the Commissioner, within 30 days of adoption, but no later than October 1 of each school year.

Building-level emergency response plan(s) and any amendments must be submitted to the appropriate local law enforcement agency and the state police within 30 days of adoption, but no later than October 1 of each school year. Building-level emergency response plan(s) will be kept confidential and are not subject to disclosure under the Freedom of Information Law (FOIL) or any other provision of law.

District-Wide School Safety Plan

District-wide school safety plan means a comprehensive, multi-hazard school safety plan that covers all school buildings of the District, addresses crisis intervention, emergency response and management, and the provision of remote instruction during an emergency school closure, at the District level, and has the contents as prescribed in Education Law and Commissioner's regulations.

The District-wide school safety plan will be developed by the District-wide school safety team appointed by the Board. The District-wide school safety team will include, but not be limited to, representatives of the Board, teacher, administrator, and parent organizations, school safety personnel, and other school personnel including bus drivers and monitors. The District-wide school safety team will consider, as part of their review of the comprehensive District-wide school safety plan, the installation of a panic alarm system. At the discretion of the Board, a student may be allowed to participate on the District-wide school safety team.

The District-wide school safety plan will include, but not be limited to:

SUBJECT: CARDIAC AUTOMATED EXTERNAL DEFIBRILLATORS (AEDs) IN PUBLIC SCHOOL FACILITIES

The District shall provide and maintain on-site in each *instructional school facility* functional cardiac automated external defibrillator (AED) equipment as defined in Public Health Law Section 3000-b for use during emergencies. Each such facility shall have sufficient automated external defibrillator equipment available to ensure ready and appropriate access for use during emergencies in quantities and types as deemed by the Commissioner of Education, in consultation with the Commissioner of Health. Determination of the quantity and placement of AEDs must be made with consideration of at least the factors enumerated in Commissioner's Regulations. *An instructional school facility means a building or other facility maintained by the District where instruction is provided to students pursuant to its curriculum.*

Whenever an *instructional District facility* is used for a school-sponsored or school-approved curricular or extracurricular event or activity and whenever a *school-sponsored athletic contest* is held at any location, the public school officials and administrators responsible for such school facility or athletic contest shall ensure that AED equipment is provided on-site and that there is present during such event, activity or contest at least one staff person who is trained in accordance with Public Health Law in the operation and use of an AED. *School-sponsored or school-approved curricular or extracurricular events or activities means events or activities of the District that are, respectively, associated with its instructional curriculum or otherwise offered to its students. A school-sponsored athletic contest means an extraclass intramural athletic activity of instruction, practice and competition for students in grades 4 through 12 consistent with Commissioner's Regulations Section 135.4.*

Where a *school-sponsored competitive athletic event* is held at a site other than a District facility, District officials shall assure that AED equipment is provided on-site by the sponsoring or host district and that at least one staff person who is trained, in accordance with Public Health Law, in the operation and use of the AED is present during such athletic event. *A school-sponsored competitive athletic event means an extraclass interscholastic athletic activity of instruction, practice and competition for students in grades 7 through 12 consistent with Commissioner's Regulations Section 135.4.*

District facilities and District staff responsible for carrying out the duties enumerated in Education Law Section 917 are deemed a "public access defibrillation provider" as defined pursuant to Public Health Law Section 3000-b and subject to the Public Health Law requirements and limitations.

Therefore, it is the policy of our District to provide proper training requirements for District AED users, to ensure the immediate calling of 911 and/or the community equivalent ambulance dispatch entity whenever the AED is used, to ensure ready identification of the location of the AED units as enumerated in the District's Public Access Defibrillation Collaborative Agreement.

The District will provide for regular maintenance and checkout procedures of the AED unit(s) which meet or exceed manufacturer's recommendations. Appropriate documentation will be maintained in accordance with law and/or regulation. Further, the District will participate in the required Quality Improvement Program as determined by the Regional Emergency Medical Services Council.

SUBJECT: FIRE AND EMERGENCY DRILLS, BOMB THREATS, AND BUS EMERGENCY DRILLS

Fire and Emergency Drills

The administration of each school building will instruct and train students on appropriate emergency responses, through fire and emergency drills, in the event of a sudden emergency.

Fire and emergency drills will be held at least 12 times in each school year; eight of these will be evacuation drills and will be completed by December 31. Four of these eight required drills will be through use of the fire escapes on buildings where fire escapes are provided or identified secondary exits, and the other four drills will be lock-down drills. Drills will be conducted at different times of the school day. Students will also be instructed in the procedures to be followed in the event that a fire occurs during the regular school lunch period or assembly, however, this additional instruction may be waived if a drill is held during the regular lunch period or assembly.

Summer School

At least two additional drills will be held during summer school in buildings where summer school is held, and one of these drills will be held during the first week of summer school.

After-School Programs, Events, or Performances

The building principal or designee will require those in charge of after-school programs, events, or performances attended by any individuals unfamiliar with that school building, to announce at the beginning of these programs the procedures to be followed in the event of an emergency.

Bomb Threats

School Bomb Threats

A bomb threat, even if later determined to be a hoax, is a criminal act. No bomb threat should be treated as a hoax when it is first received. Upon receiving any bomb threat, the school has an obligation and responsibility to ensure the safety and protection of the students and other occupants of the school. This obligation takes precedence over a search for a suspect object. Prudent action is dependent upon known information about the bomb threat-location, if any; time of detonation; etc. Specific procedures as to appropriate responses as a result of a bomb threat can be located in the building-level emergency response plan, as required by relevant law and regulation.

Police Notification and Investigation

Appropriate law enforcement agencies must be notified by the building administrator or designee of any bomb threat as soon as possible after receiving the threat. Law enforcement officials will contact, as the situation requires, fire and/or county emergency coordinators according to the county emergency plan.

Implementation

The Superintendent or designee will develop written procedures to implement the terms of this policy. Additionally, these procedures will be incorporated in the District-wide school safety plan and the building-level emergency response plan, with provisions to provide written information to all staff and students regarding emergency procedures by October 1 of each school year, an annual drill to test the emergency response procedures under each of its building-level emergency response plans; and the annual review of the District-wide and building-level emergency response plans, along with updates as necessary, by September 1, as mandated by law or regulation.

Bus Emergency Drills

The administration will conduct a minimum of three emergency drills to be held on each school bus during the school year. The first drill will be conducted during the first seven days of school, the second drill between November 1 and December 31, and the third drill between March 1 and April 30. No drills will be conducted when buses are on routes.

Students who ordinarily walk to school will also be included in the drills. Students attending public and nonpublic schools who do not participate in regularly scheduled drills will also be provided drills on school buses, or as an alternative, will be provided classroom instruction covering the content of these drills.

Each drill will include practice and instruction in the location, use, and operation of the emergency door, fire extinguishers, first-aid equipment, and windows as a means of escape in the event of fire or accident. Similarly, students will be instructed on all topics mandated by relevant sections of the Education Law and Commissioner's regulations, including, but not limited to, the following:

- a) Safe boarding and exiting procedures with specific emphasis on when and how to approach, board, disembark, and move away from the bus after disembarking;
- b) Advancing at least ten feet in front of the bus before crossing the highway after disembarking; and
- c) Orderly conduct as bus passengers.

Instruction on Use of Seat Belts

When students are transported on school buses equipped with seat safety belts, the District will ensure that all students who are transported on any school bus owned, leased, or contracted for by the District will receive instruction on the use of seat safety belts. This instruction will be provided at least three times each year to both public and nonpublic school students who are so transported and will include, but not be limited to:

- a) Proper fastening and release of seat safety belts;
- b) Acceptable placement of seat safety belts on students;
- c) Times at which the seat safety belts should be fastened and released; and

Disciplinary Proceedings

Video recordings or footage from District surveillance cameras may be used in student or employee disciplinary proceedings, as appropriate.

Signage/Notification

The District will place signage at entrances to the school campus or at major entrances into school buildings notifying students, staff, as well as any visitors of the District's use of surveillance cameras. Maintenance of Video Recordings

Any video surveillance recording in the schools, on school buses, or on school property, on tape, CD, or digitally, will be the sole property of the District and stored in its original form and in a secure location to avoid tampering and also to ensure its confidentiality in accordance with relevant law and regulations.

In addition, to the extent that any video images create student or personnel records, the District will comply with all applicable state and federal laws related to record retention, record maintenance, and record disclosure, including the Family Educational Rights and Privacy Act ("FERPA").

Definitions

“Prohibited Discrimination of Employees” Prohibited discrimination of employees can take the form of any adverse employment action against an employee, by either a District employee or official or a third party engaged in activities sponsored by the District which is based upon the employee’s protected characteristic. Prohibited discrimination of employees also includes harassment based on a protected characteristic even where there is no tangible impact upon the employee’s employment opportunities and/or employment benefits. The phrase “prohibited discrimination” as used in this Policy includes all forms of prohibited discrimination and harassment based on a protected characteristic, including “Sexual Harassment” as defined below.

“Harassment” Harassment is strictly prohibited and includes, but is not limited to, any conduct that is unwelcome and that subjects an employee to inferior terms, conditions, or privileges of employment because of an individual’s membership in one or more of the protected categories. Harassment does not have to be severe or pervasive to be illegal or violate this policy. It can be any harassing behavior that rises above petty slights or trivial inconveniences. Such harassment of employees is prohibited by this Policy if it is based on a protected characteristic or directed at an individual because of a protected characteristic. In this regard, individuals subject to this Policy should be mindful that conduct or behavior that is acceptable, amusing or inoffensive to some individuals may be viewed as unwelcome, abusive or offensive to others.

“Sexual Harassment” Sexual harassment is strictly prohibited. It is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Continued

SUBJECT: POLICY AGAINST DISCRIMINATION AND HARASSMENT

The gender spectrum is nuanced, but the three most common ways people identify are cisgender, transgender, and non-binary. A cisgender person is someone whose gender aligns with the sex they were assigned at birth. Generally, this gender will align with the binary of male or female. A transgender person is someone whose gender is different than the sex they were assigned at birth. A non-binary person does not identify exclusively as a man or a woman. They might identify as both, somewhere in between, or completely outside the gender binary. Some may identify as transgender, but not all do.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- a) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- b) Submission to, or rejection of, such conduct by an individual is used as the basis for employment decisions affecting such individual (e.g., promotion, transfer, demotion, termination); or
- c) Such gender-based conduct has the purpose or effect of subjecting an employee to inferior terms, conditions, or privileges of employment, even if the reporting individual is not the intended target of the sexual harassment.

The foregoing includes offensive comments, jokes, innuendoes or other statements of a sexual or gender-based nature as well as favoritism between a supervisor and subordinate based on an intimate/sexual relationship or desire for the same.

Who can be the target of harassment?

Harassment can occur between any individuals, regardless of their sex, gender or other protected status. New York Law protects employees, paid or unpaid interns, and non-employees, including independent contractors, and those employed by companies contracting to provide services in the workplace. Harassers can be a superior, a subordinate, a coworker or anyone in the workplace including an independent contractor, contract worker, vendor, client, customer or visitor.

Where can harassment occur?

Unlawful harassment is not limited to the physical workplace itself. It can occur while employees are working remotely, traveling for business or at employer sponsored events or parties. Harassment can occur on virtual meeting platforms, in messaging apps, and between personal cell phones. Calls, texts, emails, and social media usage by employees can constitute unlawful workplace harassment, even if they occur away from the workplace premises, on personal devices or during non-work hours.

SUBJECT: POLICY AGAINST DISCRIMINATION AND HARASSMENT**“Prohibited Behavior and Examples of Harassment, including Sexual Harassment”**

Verbal: Abusive verbal language including jokes, comments, teasing or threats related to an employee’s protected characteristic, sexual activity and/or body parts whether or not said in that person’s presence including, but not limited to: sexual innuendos; slurs; suggestive, derogatory, or insulting comments or sounds; whistling; jokes; propositions; threats; comments on a person’s appearance that make the person feel uncomfortable because of his or her protected characteristic; sex stereotyping; continuing to ask someone for dates or to meet after work after the person has made it clear that he or she does not want to go; comments about an employee’s anatomy or protected characteristic that are unwelcome; and unwelcome advances or demands based on someone’s protected characteristic. This includes verbal remarks made over virtual platforms and in messaging apps when employees are working remotely.

Nonverbal: Abusive written language showing or displaying pornographic or sexually explicit objects or pictures; graphic commentaries based on a protected characteristic; derogatory cartoons or caricatures; luring or obscene gestures in the workplace; staring at a person’s body in a sexually suggestive manner; gestures or motions based on a protected characteristic; sending material through the District e-mail system or other electronic communication devices (e.g. voice mail) or using the District’s mail, computers or cell phones to view material that is demeaning or derogatory based on one’s protected characteristic. This includes the virtual or remote workspace and can include materials visible in the background of one’s home during a virtual meeting.

Physical: Unwelcome physical conduct, including but not limited to: hitting, pushing, shoving, slapping, petting, pinching, grabbing, holding, hugging, kissing, tickling, massaging, displaying private body parts, coerced sexual intercourse, rape or assault or attempts to commit these assaults, persistent brushing up against a person’s body, unnecessary touching and flashing or other unwelcome physical conduct.

Other: Hostile actions taken against an individual because of an individual’s sex, sexual orientation, gender identity and the status of being transgender or because of any other protected characteristic, such as: interfering with, destroying or damaging a person’s workstation, tools, or equipment, or otherwise interfering with the individual’s ability to perform the job; sabotaging an individual’s work; bullying, yelling, or name-calling.

Any employee who feels discriminated against or harassed should report so that any violation of this Policy can be corrected promptly. Any harassing conduct, even if a single incident, can be addressed under this Policy.

The District will take all steps necessary to prevent and stop the occurrence of unlawful discrimination and/or harassment, including sexual harassment, in the workplace.

All employees, including but not limited to, District officials and supervisory personnel, are responsible for ensuring a work environment free from prohibited harassment and discrimination. All employees will be held responsible and accountable for avoiding or eliminating inappropriate conduct that may give rise to a claim of harassment or discrimination. Employees are encouraged to report violations to a supervisor, administrator, or one of the Civil Rights Compliance Officers listed in Compliance Officer(s) section of this Policy in accordance with the Complaint Procedure set forth in this Policy. Officials, administrators and supervisors must take immediate and appropriate corrective action when suspected instances of prohibited harassment and/or discrimination come to their attention to assure compliance with this Policy as well as report the suspected misconduct to the District's designated Civil Rights Compliance Officers. Furthermore, if any employee believes that any member of management has violated this policy or has not properly responded to and/or handled a report or concerns of discrimination or harassment, the employee should immediately contact one of the District's designated Civil Rights Compliance Officers.

Each employee is assured pursuant to Prohibition Against Retaliation and Abuse of the Policy section of this Policy, that retaliation against an individual who makes a complaint or report under this Policy is absolutely prohibited and constitutes, in and of itself, a violation of this Policy. Employees who engage in retaliation against any employee for making or encouraging another employee to make a good faith complaint of harassment or discrimination, for opposing in good faith any practices forbidden by applicable anti-discrimination laws or for filing a good faith complaint with, or otherwise participating in any manner in an internal workplace investigation or an external investigation, proceeding or hearing conducted by any federal or state agency charged with enforcing employment discrimination laws shall be subject to discipline, up to and including termination of employment. Any employee who believes they have been retaliated against in violation of this policy should report violations to one of the Civil Rights Compliance Officers listed in Compliance Officers section of this Policy in accordance with the Complaint Procedure set forth in this Policy.

Any questions regarding the scope or application of this Policy should be directed to one of the Civil Rights Compliance Officers listed in the Civil Rights and Compliance Officer(s) Section.

SUBJECT: POLICY AGAINST DISCRIMINATION AND HARASSMENT

Complaint Procedure for Employees

1. Notification Procedure

Prompt reporting of complaints or concerns is encouraged so that timely and constructive action can be taken before relationships become strained. Reporting of all perceived incidents of prohibited discrimination and/or harassment is encouraged and essential, regardless of the offender's identity or position. An employee or other individual who feels aggrieved because of harassment or discrimination shall contact their supervisor or a Civil Rights Compliance Officer listed in Compliance Officer(s) section of this Policy, or another administrator. Likewise, anyone who witnesses or becomes aware of instances of harassment or discrimination should report such behavior to their supervisor or a Civil Rights Compliance Officer listed in Compliance Officer(s) section of this Policy, or another administrator. Employees should not feel discouraged from reporting harassment because they do not believe it is bad enough, or conversely because they do not want to see a colleague fired over less severe behavior. Just as harassment can occur in different degrees, potential discipline for engaging in harassment will depend on the degree of harassment and might include education and counseling. It may lead to suspension or termination when appropriate.

2. Making a Complaint

Complaints are accepted orally and in writing. All employees are encouraged to use the District's "Complaint of Alleged Discrimination" form. A copy of this form is attached to this Policy. Additional complaint forms can be obtained from a Civil Rights Compliance Officer, with no questions asked, or from the District's website. Because an accurate record of the allegedly objectionable behavior is necessary to resolve a complaint of prohibited discrimination or harassment, the District encourages employees to place complaints in writing, even if originally made orally. If an employee has any questions or difficulty filling out the complaint form, they can obtain assistance from any one of the Civil Rights Compliance Officers or the supervisor to which they complained. All complaints should include: the name of the complaining party, the name of the alleged offender(s), date(s) of the incident(s), description of the incident(s), names of witnesses to the incident(s) and the signature of the complaining party.

Once the complaining party has completed and dated a complaint, with or without the assistance of one of the District's Civil Rights Compliance Officer(s) or a supervisor, the written complaint, or oral complaint as the case may be, should be promptly forwarded to one of the District's Civil Rights Compliance Officers.

Complainants are expected to cooperate with the District's investigation procedures by providing all relevant information relating to the complaint, as are other supervisory and non-supervisory employees having relevant or related knowledge or information.

If the allegations forming the basis of a complaint of sexual harassment, if proven, would constitute prohibited conduct under Title IX, then the District's response, including the investigation procedures, will be governed by Title IX and the District's Title IX Policy.

3. Supervisory Responsibilities

Supervisors and administrators have a responsibility to prevent sexual harassment and discrimination. All supervisors and administrators who receive a complaint or information about suspected harassment or discrimination, observe what may be harassing behavior or for any reason suspects that harassment is occurring, are required to report such suspected harassment or discrimination to one of the District's Civil Rights Compliance Officer(s).

In addition to being subject to discipline if they engaged in discriminatory or harassing conduct themselves, supervisors and administrators will be subject to discipline for failing to report suspected harassment or otherwise knowingly allowing harassment to continue.

Supervisors and administrators will also be subjected to discipline for engaging in any retaliation.

While supervisors and administrators have a responsibility to report harassment and discrimination, supervisors and administrators must be mindful of the emotional impact to the complainant as well as all parties involved. Supervisors and administrators will ensure complaints are handled with sensitivity and without retaliation.

4. Bystander Intervention

Any employee witnessing harassment as a bystander is encouraged to report it. The following are standard methods of bystander intervention that can be used by a witness to discrimination or harassment who wants to intervene:

- a. Interrupting harassment by engaging with the individual being harassed;
- b. Asking a third party to help intervene in harassment;
- c. Making a record of the harassment to benefit a future investigation;
- d. Following up with the harassed individual and confirming the behavior was not okay; or

SUBJECT: POLICY AGAINST DISCRIMINATION AND HARASSMENT

- e. If safe, confronting the harasser(s) and naming the behavior as inappropriate. When confronting harassment, physically assaulting an individual or reciprocating by engaging in harassment, is never an appropriate response.

Though not exhaustive, and dependent on the circumstances, the guidelines above can serve as a brief guide for how to react when witnessing harassment in the workplace. As set forth above, any employee witnessing harassment as a bystander is encouraged to report it; a supervisor or administrator who is a bystander to harassment is required to report it.

Time for Reporting a Complaint

Prompt reporting of all complaints is strongly encouraged. All employees should be aware that appropriate resolution of complaints and effective remedial action oftentimes is possible only when complaints are promptly filed.

Confidentiality and Privacy

The District shall keep complaints as confidential as is consistent with a thorough investigation, applicable collective bargaining agreements, and other laws and regulations regarding employees. To the extent complaints made under this Policy implicate criminal conduct, the District may be required by law to contact and cooperate with the appropriate law enforcement authorities. During the pendency of an investigation the District will consider implementation of appropriate mitigating measures in an effort to ensure against retaliation and ensure complaints and investigations are handled with sensitivity toward those participating.

Acknowledgement of Complaint

Upon receipt of an oral or written complaint, the Civil Rights Compliance Officer should endeavor to contact promptly the complainant to confirm that the complaint has been received. If the complainant does not receive such confirmation promptly, she/he is encouraged to contact a Civil Rights Compliance Officer or his/her supervisor or the supervisor to whom the complaint was made to ensure its receipt. The purpose of this acknowledgment procedure is to ensure that all complaints are received by authorized individuals, carefully processed and promptly investigated.

INVESTIGATION PROCEDURES

A. Timing of Investigations

The District will promptly investigate all allegations of discrimination and harassment prohibited by this Policy. The District will also attempt to complete investigations under this Policy promptly. The length of the investigation will depend upon the complexity and particular circumstances of each complaint.

B. Method of Investigation

Investigations will provide all parties due process, and reach reasonable conclusions based on the evidence collected. Investigations will be conducted by District Civil Rights Compliance Officers, District's legal counsel, and/or other impartial persons designated by the District. The primary purposes of all investigations under this Policy will be to determine:

- Did the conduct complained of occur?;
- Did the conduct complained of violate this Policy?; and
- What remedial measures or preventative steps, if any, shall be taken?

Investigations will necessarily vary from case to case and may typically include the following: fact-finding interviews, including of the accuser and the accused; document request, review and preservation, depositions, observations, or other reasonable methods. District investigators should pursue reasonable steps to investigate each complaint in a thorough and comprehensive manner. Any notes, memoranda, or other records created by District employees or agents conducting an investigation under this Policy shall be deemed confidential and privileged to the extent allowed by law.

Investigators will typically create a written documentation of the investigation (such as a letter, memo or email), which contains the following:

- A list of all documents reviewed, along with a detailed summary of relevant documents;
- A list of names of those interviewed, along with a detailed summary of their statements;
- A timeline of events;
- A summary of prior relevant incidents, reported or unreported; and
- The basis for the decision and final resolution of the complaint, together with any remedial actions.

C. Notification to Complaining Party and the Accused Party

The results of the investigation shall be communicated in writing to both the person filing the complaint and the accused party. The District will remind the individual(s) reporting the complaint of his/her rights pursuant to the Legal Protections and External Remedies section of this Policy.

D. Remedial Measures

This Policy is intended to prevent all forms of unlawful discrimination and harassment and put an end to any prohibited discrimination that is found to have occurred. While disciplinary action may be appropriate in certain instances, punitive measures are not the exclusive means for responding to prohibited discrimination or harassment. During the pendency of any investigation being conducted pursuant to this Policy, remedial measures may be taken if appropriate and necessary.

Any individual who is found to have engaged in prohibited discrimination or harassment or conduct which may be prohibited by this Policy, may receive education, training, counseling, warnings, discipline, or other measures designed to prevent future violations of this Policy. Disciplinary action may include: warnings, suspension, or discharge from employment or such disciplinary action as may be permitted by applicable collective bargaining agreements and law. Any third party found to have engaged in discrimination or harassment of an employee may be barred from District property.

PROHIBITION AGAINST RETALIATION AND ABUSE OF THE POLICY

Unlawful retaliation can be any action that could discourage an employee from coming forward to make a complaint or support a discrimination or harassment claim. Adverse action need not be job-related or occur in the workplace to constitute retaliation (e.g., threats of physical violence outside of work hours). Examples of retaliation may include, but are not limited to: demotion, termination, denying accommodations, reducing hours, or the assignment of less desirable shifts; publicly releasing personnel files; refusing to provide a reference or providing an unwarranted negative reference; labeling an employee as “difficult” and excluding him/her from projects to avoid “drama;” undermining an individual’s immigration status; or reducing work responsibilities, passing over for a promotion, or moving an individual’s desk to a less desirable office location.

Retaliation is strictly prohibited by this Policy and by law against anyone for making or encouraging another employee to make a good faith complaint of harassment or discrimination, for opposing in good faith any practices forbidden by applicable anti-discrimination laws or for filing a good faith complaint with, or otherwise participating in any manner in an internal workplace investigation or an external investigation, proceeding or hearing conducted by any federal or state agency charged with enforcing employment discrimination laws.

SUBJECT: POLICY AGAINST DISCRIMINATION AND HARASSMENT

Even if the alleged harassment or discrimination does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if they had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment or discrimination.

Complaints of retaliation should be brought directly to a Civil Rights Compliance Officer. Such complaints will be promptly investigated. If retaliation is found, the person retaliating will be subject to corrective action up to and including termination from employment, or in the case of a non-employee, an appropriate remedy up to and including termination of the business relationship.

RECORD KEEPING

The District shall maintain a written record of all complaints of discrimination and/or harassment for a period of at least three years. The District shall also document the steps taken with regard to investigations, as well as conclusions reached and remedial action taken, if any. The District shall also maintain these documents for, at a minimum, three years.

The District's records regarding alleged discrimination and harassment shall be maintained separate and apart from personnel records in a secure and confidential location.

LEGAL PROTECTIONS AND EXTERNAL REMEDIES

Discrimination and harassment based on protected characteristics, including sexual harassment, are not only prohibited by the District but are also prohibited by state, federal, and, where applicable, local law.

Aside from the internal process at the District, employees may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, you may seek the legal advice of an attorney.

In addition to those outlined below, employees in certain industries may have additional legal protections.

State Human Rights Law (HRL)

The Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, § 290 et seq., applies to all employers in New York State with regard to sexual harassment and harassment based on other protected characteristics set forth in this Policy, and protects employees, paid or unpaid interns and non-employees, regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints with DHR may be filed any time **within one year** of the discrimination or harassment. Complaints of sexual harassment may be filed with DHR at any time **within three years** of the alleged sexual harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, **within three years** of the alleged harassment, including sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the District does not extend your time to file with DHR or in court. The one year or three years is counted from the date of the most recent incident of harassment.

You do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate your complaint and determine whether there is probable cause to believe that sexual or other illegal harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual or other illegal harassment is found after a hearing, DHR has the power to award relief, which varies but may include requiring your employer to take action to stop the harassment, or redress the damage caused, including paying of monetary damages, attorney's fees (in sex discrimination and sexual harassment cases only) and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. You may call (718) 741-8400 or visit: www.dhr.ny.gov.

Go to dhr.ny.gov/complaint for more information about filing a complaint with DHR. The website has a digital complaint process that can be completed on a computer or mobile device from start to finish. The website has a complaint form that can be downloaded, filled out, and mailed to DHR as well as a form that can be submitted online. The website also contains contact information for DHR's regional offices across New York State.

Call the DHR sexual harassment hotline at 1(800) HARASS3 for more information about filing a sexual harassment complaint. This hotline can also provide a referral to a volunteer attorney experienced in sexual harassment matters who can provide limited free assistance and counsel over the phone.

SUBJECT: POLICY AGAINST DISCRIMINATION AND HARASSMENT

Civil Rights Act of 1964

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the discrimination or harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred. If the EEOC determines that the law may have been violated, the EEOC will try to reach a voluntary settlement with the employer. If the EEOC cannot reach a settlement, the EEOC (or the Department of Justice in certain cases) will decide whether to file a lawsuit. The EEOC will issue a Notice of Right to Sue permitting workers to file a lawsuit in federal court if the EEOC closes the charge, is unable to determine if federal employment discrimination laws may have been violated, or believes that unlawful discrimination occurred but does not file a lawsuit.

Individuals may obtain relief in mediation, settlement or conciliation. In addition, federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An employee alleging discrimination at work can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov or via email at info@eeoc.gov.

If an individual filed an administrative complaint with DHR, DHR will automatically file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists. For example, employees who work in New York City may file complaints of sexual harassment with the New York City Commission on Human Rights. Contact their main office at Law Enforcement Bureau of the NYC Commission on Human Rights, 40 Rector Street, 10th Floor, New York, New York; call 311 or (212) 306-7450; or visit www.nyc.gov/html/cchr/html/home/home.shtml.
