

**SUBJECT: DIGNITY FOR ALL STUDENTS****Overview**

The District seeks to create an environment free of harassment, bullying, and discrimination; to foster civility in its schools; and to prevent conduct that is inconsistent with its educational mission. This policy is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

The District, therefore, prohibits all forms of harassment and bullying of students by employees or other students on school property and at school functions. The District further prohibits discrimination against students, including, but not limited to, discriminatory acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex by employees or other students on school property and at school functions.

In addition, other acts of harassment, bullying, and/or discrimination that occur off school property may be subject to discipline or other corrective action, where such acts create or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation, or abuse might reach school property.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of harassment, bullying, and/or discrimination of students. The District will promptly respond to reports of harassment, bullying, and/or discrimination of students, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

Inquiries about this policy may be directed to the District's Dignity Act Coordinator(s) (DAC(s)).

**Dignity Act Coordinator**

In each of its schools, the District will designate at least one employee to serve as the DAC and receive reports of harassment, bullying, and/or discrimination. Each DAC will be:

- a) Approved by the Board;
- b) Licensed and/or certified by the Commissioner as a classroom teacher, school counselor, school psychologist, school nurse, school social worker, school administrator or supervisor, or Superintendent;
- c) Instructed in the provisions of the Dignity for All Students Act and its implementing regulations;

**SUBJECT: DIGNITY FOR ALL STUDENTS****Training and Awareness**

Each year, all employees will be provided with training to promote a supportive school environment that is free from harassment, bullying, and discrimination, and to discourage and respond to incidents of harassment, bullying, and discrimination. This training may be provided in conjunction with existing professional learning and will be conducted consistent with guidelines approved by the Board, and will include training to:

Any amendments to the *Code of Conduct* will be disseminated as soon as practicable following their adoption. The District will provide new employees with a complete copy of the current *Code of Conduct* upon beginning their employment, and distribute an age-appropriate summary to all students at a school assembly at the beginning of each school year.

**Internal Reports and Investigations of Harassment, Bullying, and/or Discrimination**

All District employees who witness or receive an oral or written report of harassment, bullying, and/or discrimination are required to take action. District employees must make an oral report promptly to the Superintendent or principal, their designee, or the DAC not later than one school day after witnessing or receiving an oral or written report of harassment, bullying, and/or discrimination. No later than two school days after making the oral report, the District employee must file a written report with the Superintendent or principal, their designee, or the DAC.

The Superintendent/designee, or the DAC will lead or supervise the thorough investigation of all reports of harassment, bullying, and/or discrimination and ensure that all investigations are promptly completed after the receipt of a written report. In investigating any allegation, the investigator may seek the assistance of the District's Civil Rights Compliance Officer(s) (CRCO(s)) and/or Title IX Coordinator(s) in investigating, responding to, and remediating complaints of harassment, bullying, and/or discrimination.

Additionally, other District policies and documents address harassment, bullying, and discrimination of students. These policies and documents may include: Policy #3421, Title IX and Sex Discrimination; Policy #6121, Policy Against Discrimination and Harassment; Policy #7551, Sexual Harassment of Students; and the District's *Code of Conduct*. The determination as to which District policies and/or documents are applicable is fact specific, and the DAC may work with other District staff such as the District's CRCO(s) and/or Title IX Coordinator(s) to determine which District policies and/or documents are applicable to the specific facts of the complaint.

When an investigation verifies a material incident of harassment, bullying, and/or discrimination, the Superintendent or principal, their designee, or the DAC will take prompt action, consistent with applicable laws and regulations as well as the District's *Code of Conduct*, reasonably calculated to end the harassment, bullying, and/or discrimination, eliminate any hostile environment, create a more positive school culture and climate, prevent recurrence of the behavior, and ensure the safety of the student or students against whom the behavior was directed.

The Superintendent/designee, or the DAC will promptly notify the appropriate local law enforcement agency when it is believed that any harassment, bullying, and/or discrimination constitutes criminal conduct.

### **Reporting Incidents**

#### Reporting Incidents to the Superintendent

At least once during each school year, each building principal will provide a report on data and trends related to harassment, bullying, and/or discrimination to the Superintendent in a manner prescribed by the District. This report will be used to submit the annual School Safety and the Educational Climate (SSEC) Summary Data Collection form to the State Education Department (SED).

#### Reporting of Material Incidents to the Commissioner of Education

Each school year, the District will submit to the Commissioner a report of material incidents of harassment, bullying, and/or discrimination that occurred during the school year in accordance with law and regulation. ### **Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)**

The District also prohibits any retaliatory behavior directed against any complainant, victim, witness, or any other individual who participated in the reporting or investigation of an incident of alleged harassment, bullying, and/or discrimination.

## **SUBJECT: SEXUAL HARASSMENT OF STUDENTS**

### **Overview**

The District is committed to creating and maintaining an environment which is free from discrimination and harassment. This policy addresses sexual harassment of students. It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

Consistent with this commitment and in accordance with law and regulation, the District prohibits all forms of sexual harassment of students by any individual on school property and at school functions which, for purposes of this policy, means a school-sponsored or school-authorized extracurricular event or activity regardless of where the event or activity takes place, including any event or activity that may take place virtually or in another state.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of sexual harassment of students. The District will promptly respond to reports of sexual harassment of students, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

Inquiries about this policy may be directed to the District's Civil Rights Compliance Officer(s) (CRCO(s)), Title IX Coordinator(s), and/or the Dignity Act Coordinator(s) (DAC(s)).

### **What Constitutes Sexual Harassment**

Sexual harassment is a form of sex discrimination and is unlawful. It includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender. Sexual harassment can occur between any individuals, regardless of their sex or gender.

Generally stated, sexual harassment consists of subjecting an individual to unwelcome conduct which is either of a sexual nature or which is directed at an individual because of that individual's sex.

This conduct may, among other things, have the purpose or effect of: creating an intimidating, hostile, or offensive environment; substantially or unreasonably interfering with a student's educational performance, opportunities, benefits, or well-being; or otherwise adversely affecting a student's educational opportunities. Petty slights or trivial inconveniences generally do not constitute harassing conduct.

Determinations as to whether conduct or an incident constitutes sexual harassment will be made consistent with applicable law and regulation, as well as any applicable District policy, regulation, procedure, or other document such as the District's *Code of Conduct*. The examples below are intended to serve as a general guide for individuals in determining what may constitute sexual harassment. These examples should not be construed to add or limit the rights that students possess as a matter of law.

## **SUBJECT: SEXUAL HARASSMENT OF STUDENTS**

### **Reporting Allegations of Sexual Harassment**

In order for the District to enforce this policy, and to take corrective action as warranted, it is essential that students who believe that they have been a victim of sexual harassment in the school environment, as well as any other person who has knowledge of or witnesses any possible sexual harassment, immediately report the alleged conduct or incident. Reports of sexual harassment may be made orally or in writing to any District employee including, but not limited to, a teacher, building principal, CRCO, Title IX Coordinator, or DAC.

All District employees who witness or receive an oral or written report of sexual harassment must immediately inform the CRCO. Failure to immediately inform the CRCO may subject the employee to discipline up to and including termination. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Additionally, District employees must comply with reporting requirements in any other applicable District policy or document. Applicable policies or documents may include: Policy #3421, Title IX and Sex Discrimination; Policy #6121, Policy Against Discrimination and Harassment; Policy #7550, Dignity for All Students; and the District's *Code of Conduct*.

### **Grievance Process for Complaints of Sexual Harassment**

The District will act to promptly, thoroughly, and equitably investigate all complaints, whether oral or written, of sexual harassment of students and will promptly take appropriate action to protect students from further sexual harassment.

Various District policies and documents address sexual harassment of students. These policies and documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; Policy #3421 -- Title IX and Sex Discrimination; Policy #7550 -- Dignity for All Students; and the District's *Code of Conduct*. All complaints will be handled in accordance with the applicable District policies and/or documents.

The determination as to which District policies and/or documents are applicable is fact specific, and the CRCO may work with other District staff such as the District's Title IX Coordinator(s) and/or DAC(s) to determine which District policies and/or documents are applicable to the specific facts of the complaint.

If an investigation reveals that sexual harassment has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable law and regulation, as well as any applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

### **Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)**

The District prohibits retaliation against any individual because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing related to a complaint of sexual harassment.

Complaints of retaliation may be directed to the CRCO. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Where appropriate, follow-up inquiries will be made to ensure that the sexual harassment has not resumed and that those involved in the investigation have not suffered retaliation.

## **SUBJECT: HAZING OF STUDENTS**

The District is committed to providing a safe, productive, and positive learning environment within its schools. Hazing activities are demeaning and abusive behaviors that harm victims, are inconsistent with the educational goals of the District, and may constitute criminal conduct. Consequently, hazing of students by other students or groups of students is strictly prohibited on school property, in school buildings, on school buses, by school-sponsored groups, clubs, or teams, and at school-sponsored events and/or activities whether occurring on or off-campus. Hazing is prohibited regardless of the victim's apparent willingness to participate in the activity.

For purposes of this policy, the term "hazing" is defined as any humiliating or dangerous activity expected of a student to join a group, regardless of their willingness to participate. Acts constituting hazing may range in severity from teasing or embarrassing a student to various forms of physical, emotional, and/or sexual abuse. Hazing behaviors include, but are not limited to:

- a) Humiliation: socially offensive, isolating, or uncooperative behaviors.
- b) Substance abuse: abuse of tobacco, alcohol, or illegal drugs.
- c) Other dangerous actions: hurtful, aggressive, destructive, and disruptive behaviors.

Hazing is a form of harassment and bullying and may constitute discrimination. Various District policies and documents address discrimination and harassment of students. These policies and documents may include: Policy #3421, Title IX and Sex Discrimination; Policy #6121, Policy Against Discrimination and Harassment; Policy #7550, Dignity for All Students; Policy #7551, Sexual Harassment of Students; and the District's *Code of Conduct*. As such, the District's response to reports of hazing will be handled in accordance with the applicable District policies and/or documents.

## **SUBJECT: NOTIFICATION OF SEXOFFENDERS**

In accordance with the Sex Offender Registration Act ("Megan's Law"), the Board supports the New York State Department of Criminal Justice Services (DCJS) in its effort to inform the community in certain circumstances of the presence of individuals with a history of sex offenses, particularly against children, in the school locality. This policy is enacted in order to minimize the possibility that the sex offender will come in contact with school-age children, and to assist law enforcement agencies in preventing further criminal activity from occurring. Furthermore, the District shall cooperate with local police authorities and the local community in promoting and protecting the safety and well-being of its students.

It is the policy of the Board to disseminate all information which the District receives from local police authorities in conjunction with Megan's Law to designated staff members who might have possible contact with the offender during the course of their school duties including, but not limited to, Building Principals, supervisors, teachers, office personnel, coaches, custodians, bus drivers, and security personnel. The Superintendent reserves the right to automatically disseminate such information to additional members of the staff, designated supervisors of non-school groups that regularly use District facilities and have children in attendance, parents/guardians of District students, and other community residents who, in the opinion of the Superintendent, have an immediate need to be notified of such data in order to protect the safety of our students.

All staff members shall be informed of the availability of the information received by the District pursuant to Megan's Law upon written request to the applicable Building Principal/designee or supervisor. Community residents shall be notified of the availability of this information, with written requests directed to the District Office. Information shall also be provided to community residents through a link on the District's website to New York State's online Sex Offender Registry.

Staff members shall inform their immediate supervisor if they observe within the school building, on school grounds, at school activities, or at or near bus routes any individual whose description matches the information which was provided to the District by local law enforcement authorities. Such law enforcement officials will be notified of this information by the District as appropriate.

Information that is disseminated to the District pursuant to Megan's Law may be disclosed or not disclosed by the District in its discretion. Any information which the District receives regarding a sex offender from a source other than the Sex Offender Registry, and which is maintained independent of the requirements of Megan's Law, will be available from the District, upon written request, in accordance with the requirements of the Freedom of Information Law (FOIL).

## **SUBJECT: NOTIFICATION OF SEX OFFENDERS**

### **Special Circumstances Whereby Sex Offenders May Enter Upon School Grounds**

As a mandatory condition of the sentence for sex offenders placed on probation or conditional discharge whose victim was under the age of eighteen (18) or who has been designated a Level 3 sex offender, the court requires that such sentenced offender refrain from knowingly entering into or upon school grounds or any other facility or institution primarily used for the care or treatment of persons under the age of eighteen (18) while one or more of such persons are present.

However, by exception, a sex offender may enter school grounds or facility with the written authorization of their parole officer and the Superintendent for limited authorized purposes. Entrance upon the premises is subject to the following conditions:

- a) The offender is a registered student, participant or employee of the facility;
- b) The offender is an employee of an entity contracted by the facility; or
- c) The offender has a family member enrolled in the facility; or
- d) If the school is the offender's designated polling place and they enter solely to vote.

## **SUBJECT: SUPERVISION OF STUDENTS**

Students working on any activity must be supervised by the teacher or staff member in charge of the activity. This applies to all in school and extracurricular activities as well as sports activities and events. Permission to hold practices or meetings must not be granted unless a teacher or staff member is definitely in charge.

- a) District personnel will be fully responsible for the supervision of all students in either their class or their after school activities.
- b) Coaches are responsible for the supervision of their athletes at all times. This will entail dressing periods, bus duty, and ensuring students have transportation home.
- c) Teachers and/or assigned school personnel in the elementary grades will be responsible for the playground supervision of all the children under their jurisdiction during the recess periods and before the regular afternoon sessions. The Principal will distribute the responsibility so that the playground situation will be properly controlled.
- d) Students are not to be sent on any type of errand away from the building.
- e) All teachers and staff working directly with students who have a history of wandering or elopement (i.e., the act of a student who leaves or runs away from the premises without permission or notification, often referring to students who have autism spectrum disorder or diminished cognitive impairment) will be made aware of these concerns and of any existing behavioral intervention plan formulated to prevent or respond to instances of wandering or elopement.

### **Volunteer Chaperones**

The Board recognizes that the use of volunteer chaperones for school sponsored events or activities can provide important support for the District. Volunteer chaperones, therefore, shall be unpaid adults whose responsibility it is to assist the advisor of the event in seeing to the safety and conduct of the students during the duration of the activity.

Volunteer chaperones shall be selected on the basis of their ability to assist with the supervision of students, and their ability to contribute to the group's activities.
