

Robin E. Radomski Memorial Scholarship

The Robin E. Radomski Memorial Scholarship is presented in the honor of Robin. Robin lived in the Lewiston community for the majority of her life. She lived here with her husband, Tom and her daughters, Casey and Nicolette, who are graduates of Lew-Port High School. Robin was a real estate agent with Great Lakes Real Estate for over 20 years. She was a transplant recipient and actively involved with the support group Transplant Saves Lives. Robin had an infectious laugh and positive attitude towards life and could turn any negative situation around with grace and humility. She approached the bad with an unmeasurable amount of strength that was admired by family and friends. Robin spread joy and happiness with the many celebrations she hosted at her home and her light will continue to shine in every single person that had the pleasure of meeting her. To honor Robin and the attitude she demonstrated toward life, this scholarship will be awarded to an individual who demonstrates these same values of positivity to the next stage of their life.

Student Essay

The power of positivity is to create, reinforce, and transform energy into reality with the mindset to seek a healthy and happy ending regardless of the situation. It leads an individual to success as they develop an attitude where they can achieve things and not be discouraged by the obstacles that crisscross with success. Positive thinking is achieved through determination, perseverance, self-confidence, and hard work. In a one-to-two-page essay describe how the power of positivity reinforced and turned around a negative situation that you have experienced.
