Lewiston-Porter School Reopening Procedures and Protocols

DRAFT

Developed in partnership with the Orleans and Niagara County Departments of Health, Orleans/Niagara BOCES, Regional Superintendents and Parent/Community Feedback

In the interest of maintaining 5 days per week of in-person programs and instruction, Lewiston-Porter will follow CDC recommendations for COVID-19 monitoring. The CDC recommends localities should monitor community transmission, vaccination coverage, voluntary screening, testing, and occurrence of outbreaks to guide decisions on the level of layered prevention strategies. Lewiston-Porter will adjust the plan accordingly. Please note that as a NYS public school, Lewiston-Porter is required to follow all NYS Department of Health mandates, and may be required to follow more restrictive COVID-19 protocols for school reopening.

BASED on Niagara County Transmission Rates	BLUE (Low Transmission) Total Cases per 100,000 persons in the past 7 days=0-9 per NYSDOH/CDC	YELLOW (Moderate Transmission) Total Cases per 100,000 persons in the past 7 days= 10-49 per NYSDOH/CDC	ORANGE (Substantial Transmission) Total Cases per 100,000 persons in the past 7 day = 50-99 per NYSDOH/CDC	RED (High Transmission) Total Cases per 100,000 persons in the past 7 day = Greater than 100 per NYSDOH/CDC

Safety and cleaning protocols to be maintained as in 2020/2021. Please note - students should stay home due to the onset of symptoms or illness. Students sent home from school due to illness or report an absence due to illness will not be required to show proof of a negative COVID-19 test in order to return to school. COVID-19 testing is strongly recommended and students may return to school once they are found to be symptom free.
