Items of Note

- NYS ELA Computer Based Field Testing - Grade 6 only will be on Monday, May 22. Teachers will give the field test in ELA classes throughout the day.
- We will have the WEB End of Year Carnival - Tuesday, May 16 6-8pm Middle School Cafeteria
 - WEB leaders hosting carnival games as a fundraiser for next year's WEB students.
 - ■ End of year carnival 2023 copy.jpg
- Our newest WEB leaders will also be participating in a Spring Play Day the afternoon of May 24. This is a day where the student leaders participate in team building activities and a warm up for next year.
- LPMS welcomes the newest inductees of the National Junior Honor Society. The induction ceremony was held in the High School Auditorium on May 10. 63 7th and 8th grade students were inducted in front of family and friends.
- On June 5th and 6th our 5th grade students will be visiting the Middle School and be taken on a tour by our WEB leaders. The 5th grade students will be able to ask questions and hopefully quell some of their anxieties of entering middle school. We will be inviting them back in the summer for the 6th grade orientation but this gives them a chance to see the building with students this year.
- On June 8, our 8th grade students will be going on a field trip to Niagara Falls State Park and the Maid of the Mist and Cave of the Winds. A huge shout out to Nina Calarco for securing a grant from Connect Kids to Parks that will pay for ALL of our 8th grade students to participate in this field trip right here in our backyard.
- On Thursday, June 1st, seventh-grade students will go on a field trip to Sahlen Field for the Bison's annual School Kids Day scheduled for 10:35 a.m. This field trip coincides with an interdisciplinary unit of study.
 - Students will depart from school at 9:00 a.m. and return to school at 2:15 p.m. The cost for each student is \$20.00 which includes admission, transportation, a hot dog, chips, and a drink. Concessions will be open for additional purchases.
- The end of the year comes fast and furious and we want to make sure that information is available for reference. A full schedule for the events and activities for June will be coming out soon. We will send this information out to parents via email and make the calendar available on the school website as soon as final details are made.
