General

- Building cleaning is winding down and the Middle School is looking really good. Classrooms will be ready for the teachers' return on August 27th and 28th.
- The Master schedule roll over is complete! Schedules and the "Welcome Back" letter were mailed out to parents. Here is a link to the [2024 Welcome Back Student/Parent letter](#). This is the earliest this has been done since I have been at Lew-Port!
 - We made some minor changes and are looking to continue the balanced sections, as necessary, but I feel like we are ready! Great feeling for sure! I am working with Brendan, Kate and Ellen to make those small adjustments.
 - Tentative student schedules went in the mail Monday, August 19. Shoutout to the entire guidance office team, Brendan, Kate and Ellen, who did a great job of getting as much student info into the system and it really does look great.
- Just a reminder of the following personnel changes for the upcoming year:

- On the first day, Tuesday, September 3, students will also get an updated schedule. This first day will run just like last year's Crew Days (with a Community Gathering, Lancer Round Table, game rotations, and more). Holding this gathering on the first day of school will allow us to set expectations for the building.
 - Students will have an updated schedule, assigned lockers, tour the building and participate in team building activities to start the year. We will run a modified schedule that first day and then return to a normal schedule Wednesday.
 - Here is a description of our CREW plan for the first day along with information for the remainder of the year - [First Day 24-25 CREW Schedule](#) [CREW Memo 24-25](#)

 - ***Thursday, September 5 @ 6 PM: Open House for ALL Grades 6, 7 and 8.***
 - **The building will be open to ALL Parents/Guardians in the evening for ALL grade levels.** Parents/guardians will follow their child's schedule and visit the classrooms based upon a modified schedule.

- The Powerschool Parent Portal should be open to parents soon. Parents are reminded that throughout the year, grades and attendance can be accessed through the PowerSchool Parent Portal at any time. A link to the portal can be accessed from our District web page at www.lew-port.com and by logging into the parents PowerSchool account. Directions for setting up a parent account was included in the information at the bottom of student schedules

 - A huge “Thank you” to the 8th grade WEB leaders. We are so proud of the students and the work that they did over the three days to train and implement the orientation for our incoming 6th grade students. Thank you also to the adult leader team, Mike Bollinger, Rachel Smith, Kelly Zimmerman, and Karen Pax for their work in putting together our program. It was such a great thing to see all of our incoming 6th grade students working with the 8th grade leaders in getting acclimated to their new home. Cell Phone Letter to Families - sent home as part of "Welcome Back" Blackboard communication ([also on the webpage](#))

Dear Lancer Families,

As we embark on the 2024 - 2025 school year, we strive to create a focused and engaging learning environment for all our students. In keeping with this goal, we are implementing a cell phone policy designed to minimize distractions and maximize instructional time.

Cell Phone Policy for the 2024-2025 School Year

Cell Phone Use in Classrooms:

Students are required to turn off and store their cell phones, and earbuds in their lockers or designated storage areas during class time. Cell phones, watches and earbuds should not be visible or used during instructional periods unless specifically allowed by the teacher for educational purposes. Students should not have their cell phones on them while in any instructional setting.

Cell Phone Use in Common Areas:

During non-instructional times (examples - lunches, nonacademic study halls), students may use their cell phones, watches and earbuds in designated common areas. However, it is important to use phones responsibly and respectfully. Cell phones, watches and earbuds should not be used in the Lancer Learning Center (LLC), and After School Detention (ASD).

Emergency Situations:

If a student needs to contact a parent or guardian during school hours, they may use the phone available in the main office. In case of an emergency, parents and guardians can contact the school Main Office directly @ 716 - 286 - 7263, and we will ensure the message is relayed to the student promptly.

Consequences for Policy Violation:

1st Offense: The student will be given a verbal warning and will be required to put the device away. The offense will be documented in PowerSchool.

2nd Offense: The student will be given a verbal warning and will be required to put the device away. Teacher will notify the parent/guardian. The offense will be documented in PowerSchool.

3rd Offense: A student conference will be held with administration. A referral will also be generated documenting the violation of the policy. The student will receive 1 After School Detention (ASD). The offense will be documented in PowerSchool.

4th Offense: The student will be required to surrender the device to the main office until the end of the day and a parent/guardian will be notified for a meeting. A referral will also be

generated documenting the violation of the policy. The student will receive 2 After School Detention (ASD).

5th Offense: The student will be required to surrender to a staff member and a parent will be notified. A referral will also be generated. The student will receive 1 day of ALE.

Parents will be given the opportunity to pick up the device to avoid storage until the end of the school day.

FAILURE TO COMPLETE ANY ASSIGNED DISCIPLINARY CONSEQUENCE MAY RESULT IN BEING ASSIGNED TO THE ALTERNATIVE LEARNING ENVIRONMENT (ALE).

Exceptions:

Students with documented medical conditions or other special circumstances requiring cell phone use during school hours should contact the school administration to discuss accommodations.

We believe this policy will help maintain a productive and respectful learning environment for all students. We appreciate your support and cooperation in reinforcing these guidelines at home.

Please feel free to contact the school office @ 716 - 286 - 7263 or cdanna@lew-port.com if you have any questions or concerns regarding this policy.

Thank you for your understanding and partnership.
